

20:20 investor series: URANIUM & GOLD DAY

20:20
INVESTOR SERIES

19 OCTOBER 2009
AMORA JAMISON HOTEL
jamison st . sydney

Are you looking to seek investment right now?

The international resource market has been building its attraction with explorers desperate to extract the millions of tonnes of resources hidden in this mineral rich continents overseas. Despite the reputation as a 'risky' investment, many international 'hot spots' hold the potential for investors to 'strike it rich'. Join us on July 27th to hear from Australian resource companies currently working overseas and find out why these international markets are a great investment.

Why YOU need to be there?

Meet potential investors one-on-one

Raise your investment profile in the industry

Develop personal and direct relationships with clients and industry leaders

Generate media interest through our global partners including Longwall, ABN Newswire and Boardroom Radio, Miningnews.net, Resourcestocks,

Showcase your brand / products and/or services to a highly targeted 'captive' audience

Opportunities to network locally and globally with some of the best people in the industry

Benefits of Presenting
