--------	---

Friday 17 July, 2015

9.00am - 1pm	Registration (<i>Queenstown Room foyer</i>)
-----------------	---

10.30am	Pre-Summit International Financing Master Class (CEOs, CFOs and board members only)
---------	---

10.30am	Meet the CEO (Investors only)
---------	-------------------------------

1.00pm	Welcome to the Bioshares Biotech Summit 2015
--------	---

1.05pm	Defining Corporate Strategies - The importance of a well-defined corporate strategy to shape future growth will be discussed. Companies with ambitions to deliver strong growth for shareholders need to have well defined strategies and a mission statement that will drive commercialisation of emerging products into global markets. This session will include speakers from three of Australia's leading life science companies in Australia who will explain their big picture strategies and how those companies are structuring their businesses for success. - Dr David Cade, CMO of Sirtex Medical - Michael Kavanagh, CEO of Nanosonics - Michael Kotsanis, CEO of Acrux
--------	---

2.20pm	Changing Business Models and Evolving Product Opportunities As companies evolve and grow, their business models need to adapt and their products need to evolve to cater to an ever-changing healthcare market. Three CEOs will discuss how their businesses have changed, programs have been modified or products have evolved in recent years, at the same time as retaining consistency to foundational propositions. - Andrew Ronchi, CEO of Dorsavi - Mike McCormick, President & CEO of Osprey Medical - Andrew Maxwell, CEO of Global Kinetics Corporation
--------	--

3.20pm - 4.20pm Tea & Coffee Break	
---	--

4.20pm	The Mike Hirshorn Address Richard Carreon, CEO of Impedimed
--------	---

4.50pm	Cancer Immunotherapy One of the hottest areas of drug development at the moment is in cancer immunotherapy, whereby the body's immune system is used to destroy cancer cells in the body. This session will discuss what is driving the interest in this field, the technologies that are leading the charge, and the approaches and advances that some ASX-listed biotechs are making in this field. - Krystal Evans, CEO of BioMelbourne Network (Chair) - Dr Axel Hoos, Director of Imugene (and VP Oncology R&D, GlaxoSmithKline) - KEY NOTE SPEAKER - Stuart Roberts, Head of Investment Relations at Prima Biomed - Dr Malcolm McColl, CEO of Viralytics
6.00pm	End of day's formal sessions

7.00pm - 11pm - Cocktail Reception
Buses to The Winehouse
(Buses leave at 7pm, 7.15pm and 7.30pm)

Sponsored by:
