MYOB wins BRW's Most Innovative Large Company Award

MYOB Group Limited (ASX: MYO) is delighted to announce it has been named Australia's Most Innovative Large Company in 2015 by Business Review Weekly (BRW) and awarded second place in the overall list of BRW's 50 most innovative companies.

The BRW awards recognise excellence in innovation. For the top 50 list, please see [here](#).

"We are delighted to be recognised as Australia's most innovative large company," said CEO Tim Reed.

"Over the last three years we have invested significantly in R&D and successfully transformed the business to enable rapid innovation – it is great to see this change recognised by BRW."

"Innovation is at the heart of what we do but innovation doesn't happen in isolation. For innovation to be successful, it's paramount we listen to the needs of our customers, partner with other businesses and create value across the cloud ecosystem."

"These awards are a huge vote of confidence for our teams who put their heart and soul into next generation product innovations."
