ABM Resources receives notification of approval of Mine Management Plan for the Old Pirate Gold Project

ABM Resources NL (“ABM” or “the Company”) is pleased to announce that it has received notification from the NT Department of Mines and Energy that the Mine Management Plan (“MMP”) to develop the Old Pirate High-Grade Gold Project has been accepted and will be approved on lodgement of the environmental bond. This is the last major approval required by the Company to be able to begin site works.

About ABM Resources

ABM is an exploration company developing several gold discoveries in the Central Desert region of the Northern Territory of Australia. The Company has a multi-tiered approach to exploration and development with a combination of high-grade potentially short-term production scenarios such as the Old Pirate High-Grade Gold Project, large scale discoveries such as Buccaneer, and regional exploration discoveries such as the Hyperion Gold Project.

In addition, ABM is committed to regional exploration programs throughout its extensive holdings including the alliance with Independence Group NL at the regional Lake Mackay Project.
