The Option may be exercised at any time within two years from the Effective Date. The Company may extend the Option Period by a further twelve months on notice in writing to the Vendors at least 30 days prior to the expiry of the two year period.

Option fees comprise the following payments made by the Company:

- \$20,000 payable within 5 business date of the Effective Date, which the Company paid on 17 June 2013; and
- \$20,000 payable on each six month anniversary of the Effective Date in order to keep the Option open for a further six months during the Option period, subject to earlier termination of the Option.

In addition, the Company will issue to the Vendors or their nominee in writing \$20,000 worth of quoted Argent Minerals ordinary shares, based on the five day volume weighted average price prior to the date of issue on each 12 month anniversary of the Effective Date until the Option is exercised or expires.
