Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

Further details on these changes is set out below.

Proxy vote if appointment specifies way to vote

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and

- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

Short Explanation: On 27 October 2017, the Company announced that it had successfully raised \$17.2 million (before costs) via a share placement. Placement participants would be issued Shares \$0.14 per Share which represented a ~17% discount to the 15 day VWAP of the Company’s shares as traded on the ASX up to and including the close of trade on Friday 20 October 2017. This Resolution is seeking Shareholder approval under ASX Listing Rule 7.4 to ratify the issue of 2,811,432 Shares to a sophisticated investor and a consultant (placement participants) that were issued Shares on 1 December 2017 under the Company’s existing placement capacity pursuant to ASX Listing Rule 7.1.

“That, for the purpose of section 136(2) of the Corporations Act and for all other purposes, approval is given for the Company to repeal its existing Constitution and adopt a new constitution in its place in the form as signed by the chairman of the Meeting for identification purposes.”

Short Explanation: The Company is seeking approval from shareholders to adopt a new Constitution (Proposed Constitution) to ensure that it reflects the current provision of the Corporations Act and the ASX Listing rules. The Company last updated its constitution in May 2011. The Proposed Constitution is broadly consistent with the provisions of the existing Constitution and incorporates amendments to the Corporations Act and the ASX Listing Rules since the current Constitution was adopted.

4. RESOLUTION 4 – APPROVAL OF THE EMPLOYEE RIGHTS PLAN

Resolution 4 seeks shareholder approval to establish and maintain the Altech Chemicals Limited Performance Rights Plan to provide ongoing incentives to employees of the Company. Shareholders previously approved the Plan at the 2014 Annual General Meeting held on 5 November 2014. Employee Incentive Schemes are required to be renewed every three years as part of the relevant ASIC Class Order. As the Plan was not renewed on or prior to 5 November 2017 it has expired, consequently the Company is now seeking shareholders to re-approve the Plan.

Accordingly, the Company proposes that shareholders consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

- (b) the Shares were issued at an issue price of \$0.14 each per Share;
- (c) the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares were issued on 1 December 2017 to a sophisticated investor and a consultant who fall within the disclosure exemptions in section 708 of the Corporations Act. None of these subscribers are related parties of the Company; and
- (e) the funds raised from this issue were applied towards the continued development of the Company's proposed high purity alumina (HPA) plant, and for corporate and general working capital purposes.

4. RESOLUTION 3 – ADOPTION OF NEW CONSTITUTION

4.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 3 is a special resolution which will enable the Company to adopt a new Constitution (**Proposed Constitution**) to ensure it reflects the current provisions of the Corporations Act and ASX Listing Rules. This will incorporate amendments to the Corporations Act and ASX Listing Rules since the current Constitution was adopted.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website <http://www.altechchemicals.com> and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 8 6168 1555) or shane@altechchemicals.com. Shareholders are invited to contact the Company if they have any queries or concerns.

4.2 **Summary of material proposed changes**

Clause 3 of the Constitution outlines how the Company can manage shareholdings which represent an "unmarketable parcel" of shares, being a shareholding that is less than \$500 based on the closing price of the Company's Shares on ASX as at the relevant time.

The Proposed Constitution is in line with the requirements for dealing with "unmarketable parcels" outlined in the Corporations Act such that where the Company elects to undertake a sale of unmarketable parcels, the Company is only required to give one notice to holders of an unmarketable parcel to elect to retain their shareholding before the unmarketable parcel can be dealt with by the Company, saving time and administrative costs incurred by otherwise having to send out additional notices.

Clause 3 of the Proposed Constitution continues to outline in detail the process that the Company must follow for dealing with unmarketable parcels.

Fee for registration of off market transfers (clause 8.4(c))

On 24 January 2011, ASX amended ASX Listing Rule 8.14 with the effect that the Company may now charge a "reasonable fee" for registering paper-based transfers, sometimes referred to "off-market transfers".

Clause 8.4 of the Proposed Constitution is being made to enable the Company to charge a reasonable fee when it is required to register off-market transfers from Shareholders. The fee is intended to represent the cost incurred by the Company in upgrading its fraud detection practices specific to off-market transfers.

Before charging any fee, the Company is required to notify ASX of the fee to be charged and provide sufficient information to enable ASX to assess the reasonableness of the proposed amount.

Partial (proportional) takeover provisions (new clause 36)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment

of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – APPROVAL OF THE EMPLOYEE RIGHTS PLAN

5.1 General

Resolution 4 seeks shareholder approval to establish and maintain the Altech Performance Rights Plan (**Plan**) to provide ongoing incentives to employees of the Company. Shareholders previously approved the Plan at the 2014 Annual General Meeting held on 5 November 2014. Employee Incentive Schemes are required to be renewed every three years as part of the relevant ASIC Class Order. As the Plan was not renewed on or prior to 5 November 2017 it has expired, consequently the Company is now seeking shareholders to re-approve the Plan.

The Board adopted the Plan to allow employees to be granted Performance Rights to acquire shares in the Company.

The objective of the Plan is to provide the Company with a remuneration mechanism, through the issue of securities in the capital of the Company, to motivate and reward the performance of employees in achieving specified performance milestones within a specified performance period. The Board will ensure that the performance milestones attached to the securities issued pursuant to the Plan are aligned with the successful growth of the Company's business activities.

The employees of the Company have been, and will continue to be, instrumental in the growth of the Company. The directors consider that the Plan is an appropriate method to:

- (a) reward employees for their past performance;
- (b) provide long term incentives for participation in the Company's future growth;
- (c) motivate employees and generate loyalty from senior employees; and
- (d) assist to retain the services of valuable employees.

5.2 ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

One of the exceptions to ASX Listing Rule 7.1 is Listing Rule 7.2 (Exception 9(b)) which provides that ASX Listing Rule 7.1 does not apply to an issue under an employee incentive scheme if, within the 3 years before the date issue, shareholders have approved the issue as an exception to ASX Listing Rule 7.1.

The effect of Resolution 4 will be to allow the directors to grant Performance Rights to employees of the Company pursuant to the Plan during the period of 3 years after the meeting (or a longer period, if allowed by ASX), and to issue shares to those employees if they achieve the performance and vesting conditions of the Performance Rights, without using the Company's 15% annual placement capacity.

5.3 Terms of the Plan

A summary of the terms of the Plan is provided in Schedule 1 to this explanatory memorandum. A copy of the Plan will be made available free of charge to any shareholder on request.

As at the date of this Notice 5,200,000 Performance Rights have been issued and are unvested under the Plan that was previously approved by shareholders at the 2014 Annual General Meeting held on 5 November 2014. Any future issues of Shares under the Plan to a related party or a person whose relation with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time. The Company is also seeking approval under Resolution 5 for the issue of Performance Rights to Mr Iggy Tan, although these Performance Rights are not being issued pursuant to the Plan. The Company is also seeking approval under Resolutions 7 to 11 for the issue of Performance Rights to the non-executive directors of the Company, although these Performance Rights are also not being issued pursuant to the Plan.

6. RESOLUTION 5 – ISSUE OF PERFORMANCE RIGHTS TO MR IGGY TAN

The primary purpose of the issue of Performance Rights to Mr Tan is to provide a performance linked incentive component in the remuneration package for Mr Tan to motivate and reward the performance of Mr Tan in achieving project funding and construction commencement. The Board considers this issue to be a cost effective remuneration practice and reasonable given the vesting conditions will align the interests of Mr Tan with those of Shareholders. The Board does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights upon the terms proposed.

The Company has agreed, subject to obtaining Shareholder approval, to issue a total of 10,000,000 Performance Rights to Mr Iggy Tan (or his nominee) on the terms and conditions set out below.

6.1 Chapter 2E of the Corporations Act

The Performance Rights are to be issued to Mr Iggy Tan (or his nominee) to provide further incentive to perform and secure the ongoing commitment of Mr Iggy Tan to the continued growth of the Company.

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in Sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

The Directors (other than Mr Tan who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Performance Rights because the issue of the Performance Rights is part of the remuneration package for Mr Tan and is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

6.2 ASX Listing Rule 10.11

ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

As the grant of the Performance Rights involves the issue of securities to a related party of the Company, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that the exceptions set out ASX Listing Rule 10.12 do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of Performance Rights to Mr Tan (or his nominee).

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Performance Rights as approval is being obtained under ASX Listing Rule 10.11. The issue of Performance Rights to Mr Iggy Tan will not be included in the 15% calculation for the purposes of ASX Listing Rule 7.1.

6.3 Technical information required by Listing Rule 10.13.

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in relation to the proposed grant of Performance Rights:

- (a) the Performance Rights will be issued to Mr Iggy Tan (or his nominee) and he is a related party by virtue of being a Director of the Company;
 - (b) the maximum number of Performance Rights (being the nature of the financial benefit being provided) to be granted to Mr Iggy Tan (or his nominee) is 10,000,000 Performance Rights which upon vesting, shall convert into 10,000,000 Shares;
 - (c) the Performance Rights will be issued for nil cash consideration and no consideration will be payable upon the vesting of the Performance Rights on the achievement of the specified performance criteria;
 - (d) the Performance Rights will vest in three tranches:
 - (i) Tranche 1 – 2,500,000 Performance Rights that will vest upon successful funding of the Company's proposed high purity alumina (HPA) plant in Tanjung Langsat, Johor, Malaysia (Plant).
 - (ii) Tranche 2 – 2,500,000 Performance Rights that will vest upon first tonne of HPA product sold and Plant is at a steady state of production (Plant is stable and producing at a constant and consistent rate) within specification quality and 3 years continuous service.
 - (iii) Tranche 3 – 5,000,000 Performance Rights that will vest upon completion of clearance of the site for the Plant for the commencement of construction.
- Shares resulting from the vesting of the Performance Rights shall, from the date of issue, rank on equal terms with all other Shares on issue. The Performance Rights will otherwise be issued on the terms and conditions set out in Schedule 2;
- (e) the Performance Rights will be issued to Mr Iggy Tan (or his nominee) no later than 1 month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Performance Rights will be issued on one date; and
 - (f) no funds will be raised from the issue of the Performance Rights to Mr Iggy Tan as the Performance Rights will be issued for nil cash consideration to provide further incentive to perform and secure the ongoing commitment of Mr Iggy Tan to the continued growth of the Company.

7. RESOLUTIONS 6 TO 10 – ISSUE OF PERFORMANCE RIGHTS TO NON-EXECUTIVE DIRECTORS

7.1 General

The primary purpose of the issue of Performance Rights to Non-Executive Directors is to provide a performance linked incentive component in the remuneration package for them, to motivate and reward their performance in achieving construction commencement of the proposed HPA plant. The Board considers this issue to be a cost effective remuneration practice and reasonable given the vesting conditions will align the interests of the directors with those of Shareholders. The Board does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights upon the terms proposed.

Resolutions 6, 7, 8, 9 and 10 seek shareholder approval to grant and issue a total of 5,000,000 Performance Rights to Messrs Luke Atkins, Dan Tenardi, Peter Bailey, Tunku Yaacob Khyra and Uwe Ahrens (**Relevant Directors**).

The Performance Rights shall be issued as follows:

Director	Resolution Number	Number of Rights
Luke Atkins	6	1,000,000
Dan Tenardi	7	1,000,000
Peter Bailey	8	1,000,000
Tunku Yaacob Khyra	9	1,000,000
Uwe Ahrens	10	1,000,000
Total		5,000,000

Each of the Performance Rights will vest upon completion of clearance of the site for the Plant for the commencement of construction and will otherwise be issued on the terms and conditions set out in Schedule 2.

7.2 Purpose of the Performance Rights

The grant of the Performance Rights to the Relevant Directors is designed to incentivise the recipients and align the Board and management in the setting and achievement of the Company's objectives and participating in the future growth and prosperity of the Company through share ownership. Under the Company's current circumstances, the Directors consider that the incentives to the Relevant Directors noted above, represented by the issue of the Performance Rights are a cost effective and efficient reward and incentive for the Company, as opposed to alternative forms of incentive, such as the payment of cash compensation to Relevant Directors. Luke Atkins, Dan Tenardi, Peter Baily and Tunku Yaacob Khyra are Non-Executive Directors of the Company and Uwe Ahrens is an alternate Non-Executive Director of the Company. The Company acknowledges the issue of Performance Rights to Non-Executive Directors is contrary to recommendation 8.2 of the ASX Corporate Governance Principles and Recommendations. However, the Directors are of the view that at this stage of the Company's development it is far better for Directors of the Company to be compensated by way of securities in the Company, rather than by way of cash, in order to attract the highest calibre of professionals to the Company, whilst maintaining the Company's cash reserves.

The number of Performance Rights to be issued to the Relevant Directors has been determined based on a number of factors including:

- (a) the role of each Relevant Director, in particular their specialist assistance to management;
- (b) continuity of the Board. The Relevant Directors have acquired substantial and extensive knowledge regarding the development of the Company's project. The retention of the current Board with the knowledge possessed by each of them will be critical to the successful development of the Company's project;
- (c) market standards. The Directors have generally reviewed a selection of comparable companies to determine market conditions generally and consider the proposed number of Performance Rights to be issued will ensure that the overall remuneration those persons are in line with market standards; and
- (d) alignment of interests. The Directors consider that it is in the interests of shareholders to align the interests of Directors and shareholders by encouraging Directors to have an equity holding in the Company. However, the Directors consider that similarly to other shareholders, this interest should arise through direct investment by the Directors in the Company. In this regard, assuming Shareholders approve Resolutions 6-10, if the Performance Rights vest and are converted into Shares, the Relevant Directors will increase their individual shareholdings in the Company.

7.3 Related Party Transactions

A summary of Chapter 2E of the Corporations Act and ASX Listing Rule 10.11 is set out in Sections 7.1 and 7.2 above respectively.

The grant of the Performance Rights to the Relevant Directors constitutes giving a financial benefit and the Relevant Directors are related parties of the Company by virtue of being Directors (or an alternative Director in the case of Mr Uwe Ahrens).

In addition, ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

As it is proposed that the Performance Rights be issued to five of the Company's six Directors, the Directors

have been unable to form quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act or ASX Listing Rule 10.12 applies to these issues. Accordingly, Shareholder approval is sought for the purpose of section 208 of the Corporations Act for the issue of the Related Party Performance Rights to the Directors.

7.4 Shareholder Approval (Chapter 2E of the Corporations Act and Listing Rule 10.11)

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act and ASX Listing Rule 10.13, the following information is provided in relation to the proposed grant of the Performance Rights:

- (a) the Relevant Directors are Messrs Luke Atkins, Dan Tenardi, Peter Bailey, Tunku Yaacob Khyra and Uwe Ahrens and they are related parties by virtue of each being a Director of the Company (or alternative Director in the case of Uwe Ahrens).
- (b) the maximum number of Performance Rights (being the nature of the financial benefit being provided) to be granted to the Relevant Directors is:

Director	Resolution Number	Number of Performance Rights
Luke Atkins	6	1,000,000
Dan Tenardi	7	1,000,000
Peter Bailey	8	1,000,000
Tunku Yaacob Khyra	9	1,000,000
Uwe Ahrens	10	1,000,000
Total		5,000,000

- (c) The Performance Rights will be granted to the Relevant Directors no later than 1 month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Performance Rights will be issued on one date.
- (d) The Performance Rights will be granted for nil cash consideration; accordingly no funds will be raised.
- (e) The terms and conditions of the Performance Rights are set out in Schedule 2.
- (g) The value of the financial benefit and the amounts to be paid by the Directors in the event the Performance Rights vest and are subsequently exercised will depend upon the price of the ordinary shares of the Company at the date that the Performance Rights are exercised.

The Performance Rights are not to be quoted on ASX and as such have no actual market value. The Performance Rights are capable of being converted to shares in the Company at any time after the vesting conditions are met and accordingly have a value at the date of grant. If the Company's shares are trading at a price greater than \$0.00 at the time of vesting, the effect will be to give an immediate financial benefit to the Director whose Performance Rights have vested.

The value of the Performance Rights using the Black and Scholes Right pricing model is \$0.144 per Performance Right using the following material assumptions in valuing the Performance Rights:

- share price of \$0.16 per share;
- Right exercise price of \$0.00 per Right;
- probability of each tranche of Rights vesting of 90%;
- risk free interest rate of 2.03%; and
- volatility factor of 81.52%.

Accordingly under the above assumptions, the value of the Performance Rights to be issued and the amounts to be paid by the Directors in the event the Performance Rights are exercised are as follows:

Director	Number of Rights	Value per Right	Total value of Rights	Exercise price per Right	Total amount to be paid on exercise of Rights
Luke Atkins	1,000,000	\$0.144	\$144,000	nil	nil
Dan Tenardi	1,000,000	\$0.144	\$144,000	nil	nil
Peter Bailey	1,000,000	\$0.144	\$144,000	nil	nil
Tunku Yaacob Khyra	1,000,000	\$0.144	\$144,000	nil	nil
Uwe Ahrens	1,000,000	\$0.144	\$144,000	nil	nil
Total	5,000,000		\$720,000		

- (f) As at the date of this Notice, the Relevant Directors hold the following relevant interests in the securities of the Company representing 16.53% of the current issued capital of the Company on a fully diluted basis:

Director	Ordinary shares	Performance Rights (not vested)	Total Securities
Luke Atkins	8,958,837	1,000,000	9,958,837

Total	68,443,184	5,500,000	73,943,184

- (g) If Shareholders approve all Resolutions contained in this Notice, the Relevant Directors will hold the following relevant interests in the securities in the Company representing 17.08% of the issued capital of the Company on a fully diluted basis:

Director	Ordinary shares	Performance Rights (not vested)	Total Securities
Luke Atkins	8,958,837	2,000,000	10,958,837
Dan Tenardi	6,794,915	2,000,000	8,794,915
Peter Bailey	2,683,801	2,500,000	4,183,801
Yunku Yaacob Khyra	50,005,631	2,000,000	52,005,631

- (h) During the last 12 months before the date of lodgement of this Notice with ASIC, the highest trading price of the Company's shares on the ASX was \$0.24 on 12 December 2017 and the lowest trading price of the Shares was \$0.098 on 28 June 2017. On 4 May 2018, the last trading day before this Notice was lodged with ASIC, the Shares closed at a price of \$0.16 per share.
- (i) The Relevant Directors' current salary or directors' fees per annum (including superannuation where applicable) and the total financial benefit to be received by them as a result of the grant of the Performance Rights the subject of Resolutions 6 to 10 is as follows:

Director	Salary, fees & superannuation (Previous Financial Year)	Salary, fees & superannuation (Current Financial Year)	Value of Rights (refer (d) above)	Total Financial Benefit
Luke Atkins	85,400	\$65,700	\$144,000	\$209,700
Dan Tenardi	37,333	\$40,000	\$144,000	\$184,000

Uwe Ahrens	-	-	\$144,000	\$144,000
Total		\$185,700	\$720,000	\$905,700

Under Australian Accounting Standards, the Company is required to recognise the value of Performance Rights as an expense in the profit or loss account with a corresponding adjustment to equity reserve account (share based payments reserve).

- (j) The Directors do not consider that there are any opportunity costs or taxation consequences for the Company or benefits foregone by the Company in granting the Performance Rights under Resolutions 6 to 10.
- (k) In respect of Resolution 6, save for Luke Atkins who has an interest in the outcome of Resolution 6 and declines to make a recommendation in respect of it, all Directors recommend that shareholders vote in favour of Resolution 6 for the following reasons:
- (i) the grant of Performance Rights to the Relevant Directors, in particular, the vesting conditions of the Performance Rights, will align the interests of the Relevant Directors with those of Shareholders;
 - (ii) the grant of the Performance Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Relevant Directors; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Performance Rights upon the terms proposed;
- (l) In respect of Resolution 7, save for Dan Tenardi who has an interest in the outcome of Resolution 7 and declines to make a recommendation in respect of it, all Directors recommend that shareholders vote in favour of Resolution 7 for the reasons set out in section 7.4(l)(i)-(iii).
- (m) In respect of Resolution 8, save for Peter Bailey who has an interest in the outcome of Resolution 8 and declines to make a recommendation in respect of it, all Directors recommend that shareholders vote in favour of Resolution 8 for the reasons set out in section 7.4(l)(i)-(iii).
- (n) In respect of Resolution 9, save for Tunku Yaacob Khyra who has an interest in the outcome of Resolution 9 and declines to make a recommendation in respect of it, all Directors recommend that shareholders vote in favour of Resolution 9 for the reasons set out in section 7.4(l)(i)-(iii).
- (o) In respect of Resolution 10, all Directors recommend that shareholders vote in favour of Resolution 10 for the reasons set out in section 7.4(l)(i)-(iii).
- (p) Neither the Directors nor the Company are aware of any other information that would be reasonably required by shareholders to make a decision in relation to the financial benefit contemplated by the proposed resolution.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Performance Rights to the Relevant Directors as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Related Party Performance Rights to the Related Parties will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

8. RESOLUTION 11 – APPROVAL FOR SHARE PLACEMENT

8.1 General

The Company seeks pre-approval to raise up to \$30 million in order to progress early site works at the proposed Johor HPA plant which may include foundation piling, construction engineering and advancement of long lead plant and equipment, to maintain project momentum.

Resolution 11 seeks Shareholder approval for the issue of up to that number of Shares, when multiplied by the issue price, will raise up to \$30 million (**Proposed Placement**).

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

The effect of Resolution 11 will be to allow the Company to issue the Shares pursuant to the Proposed Placement during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

It is intended that a broker or brokers will be appointed for the purpose of the Placement and the fees customary for a placement of this size shall be paid to the appointed broker/s.

It is intended that Placement participants be sophisticated and professional investors (as defined in section 708 of the Corporations Act).

8.2 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the Proposed Placement:

- (a) the maximum number of Shares to be issued is up to that number of Shares which, when multiplied by the issue price, equals \$30 million;
- (b) the Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that allotment will occur on the same date;
- (c) the issue price will be not less than 80% of the average market price for Shares calculated over the 5 days on which sales in the Shares are recorded before the day on which the issue is made or, if Shares are issued pursuant to a prospectus, over the last 5 days on which sales in the securities were recorded before the date the prospectus is signed;
- (d) the Directors will determine to whom the Shares will be issued but these persons will not be related parties of the Company;
- (e) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares; and
- (f) the Company intends to use the funds raised from the Placement towards finalising the detailed design of its proposed Malaysian high purity alumina (HPA) plant, the preparation of the HPA plant site for construction, the commencement of site works and order of long lead time plant and equipment, and for corporate, administration and for working capital purposes.

8.3 Dilution

The closing market price for Shares on 9 May 2018 was \$0.16. 80% of this \$0.16 closing price is \$0.128 (ie maximum discount). The highest closing price of the Company's shares in the 12 months preceding the date of this Notice is \$0.24 on 12 December 2017. Accordingly, set out below is a worked example of the number of Shares that may be issued under Resolution 11 based on an assumed issue price of \$0.128, \$0.16 and \$0.24.

Assumed issue price	Maximum number of Shares which the Company could issue (rounded up to the nearest whole number) pursuant to Resolution 11	Current Shares on issue as at the date of this Notice	Number of Shares on issue assuming the Company issued the maximum amount pursuant to Resolution 11	Dilution effect on existing Shareholders
\$0.128	234,375,000	426,540,542	660,915,542	54.95%
\$0.16	187,500,000	426,540,542	614,040,542	43.96%
\$0.24	125,000,000	426,540,542	551,540,542	29.31%

Assuming no Performance Rights or Options are exercised or other Shares issued and the maximum number of Shares as set out in the worked example above are issued, the number of Shares on issue would increase from 426,540,542 (being the number of Shares on issue as at the date of this Notice) to 660,915,542 and the shareholding of existing Shareholders would be diluted by 54.95%.

The Company notes that the above workings are an example only and the actual issue price may differ. This will result in the maximum number of Shares to be issued and the dilution percentage to also differ.

9. RESOLUTION 12 – NON-EXECUTIVE DIRECTORS’ REMUNERATION

ASX Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of directors’ fees payable to all of its non-executive directors without the approval of holders of its ordinary securities.

Clause 14.8 of the Constitution also requires that remuneration payable to the non-executive Directors will not exceed the sum initially set by the Constitution and subsequently increase by ordinary resolution of Shareholders in general meeting.

The maximum aggregate amount of fees payable to all of the non-executive Directors is currently set at \$200,000. Resolution 12 seeks Shareholder approval to increase this figure by \$300,000 to \$500,000.

This amount includes superannuation contributions made by the Company for the benefit of non-executive Directors and any fees which a non-executive Director agrees to sacrifice for other benefits. It does not include reimbursement of genuine out of pocket expenses, genuine “special exertion” fees paid in accordance with the Constitution, or securities issued to a non-executive Director under ASX Listing Rule 10.11 or 10.14 with approval of Shareholders.

The maximum aggregate amount of fees proposed to be paid to the non-executive Directors per annum has been determined after reviewing similar companies listed on ASX and the Directors believe that this level of remuneration is in line with corporate remuneration of similar companies.

Whilst it is not envisaged that the maximum amount sought will be utilised immediately, the proposed limit is requested to ensure that the Company:

- (a) maintains its capacity to remunerate both existing and any new non-executive directors joining the Board;
- (b) remunerates its non-executive Directors appropriately for the expectations placed upon them both by the Company and the regulatory environment in which it operates; and
- (c) has the ability to attract and retain non-executive directors whose skills and qualifications are appropriate for a company of the size and nature of the Company.

In the past 3 years, the Company has issued the following securities to non-executive Directors with prior Shareholder approval under ASX Listing Rules 10.11 and 10.14:

- (a) 7,142,857 Shares to MAA Group Berhad (**MAA**) (an entity controlled by Tanku Yaacob Khyra) on 28 December 2017 (refer to Company’s Notice of Meeting announced 27 October 2017 for further details);
- (b) 14,285,714 Shares to MAA on 31 May 2017 (refer to Company’s Notice of Meeting announced 26 April 2017 for further details);
- (c) 11,627,907 Shares to MAA on 4 August 2016 (refer to Company’s Notice of Meeting announced 23 June 2016 for further details);
- (d) 1,000,000 performance rights to Tanku Yaacob Khyra (or his nominee) on 4 August 2016 (refer to Company’s Notice of Meeting announced 23 June 2016 for further details);
- (e) 1,000,000 performance rights to Uwe Ahrens (or his nominee) on 4 August 2016 (refer to Company’s Notice of Meeting announced 23 June 2016 for further details); and
- (f) 1,694,915 Shares to Dan Tenard (or his nominee) on 10 November 2015 (refer to Company’s Notice of Meeting announced 9 September 2015 for further details).

Given the interest of the non-executive Directors in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.

Instructions for Completing 'Appointment of Proxy' Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
 - **(Individual):** Where the holding is in one name, the Shareholder must sign.
 - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
 - **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
 - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
5. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
 - (a) **post** to Altech Chemicals Limited, Suite 8, 295 Rokeby Road, Subiaco WA 6008 ; or
 - (b) **e-mail** to the Company at shane@altechchemicals.com; or
 - (c) **facsimile** to the Company on facsimile number +61 8 6168 1551.
