

ASX/TSX ANNOUNCEMENT AND MEDIA RELEASE

10 July 2017

CARDINAL IS NOW DUAL-LISTED ON ASX AND TSX

Cardinal Resources Limited ("Cardinal" or the "Company") (ASX: CDV; TSX: CDV) is pleased to announce that the Company's ordinary shares will commence trading on the Toronto Stock Exchange (the "TSX") under the same symbol "CDV" at the start of trading on the TSX on July 10, 2017.

Archie Koimtsidis, CEO and MD of Cardinal, stated:

"The entire Team is very pleased to be listed on the TSX as well as the ASX as it will provide the Company with a broader awareness of our significant gold discovery and development in Ghana on two high quality stock exchanges for trading. The listing on the TSX is another important milestone achieved by Cardinal for all stakeholders as we continue to explore and develop the expanding Namdini Gold Deposit.

"Our TSX Listing is timely given the substantial amount of activity planned, including the finalization of the Scoping Study/Preliminary Economic Assessment on our Namdini Gold Project which is due late Q3 - 2017.

"With our Ghana-based projects and our well-rounded Board and Executive Team in Toronto, we believe the TSX listing will enhance the Company's support by the North American and Australian Investment Communities."

Appendix 1 below outlines instructions on how to transfer shares between the ASX and the TSX. The Final Prospectus has also been filed with the ASX and is available on the Company's SEDAR profile accessible at www.sedar.com.
