

Central Petroleum Limited  
(ASX:CTP)

AUSTRALIA,  
HERE WE COME

Credit Suisse 5th Annual Australian Energy Conference  
13-14 June 2018

# CENTRAL'S STRATEGY

---

## PHASE 1

- Triple Gas Sales for the Northern Gas Pipeline (NGP) – now in two stages due to external lateral upgrades
- Get NT interconnected – *achieved*
- Pipeline reform to mitigate tyranny of distance – *substantially achieved*
- Upgrade existing facilities at Mereenie, Palm Valley and Dingo to become capable of processing 83 TJ/d (30 PJ p.a.) (gross) (nett to Central 54 TJ/d (20 PJ p.a.)) – *underway*
- Debottleneck external Mereenie spur line to match plant capacities – *discussions underway*

# PLANT UPGRADES: MEREENIE AND PALM VALLEY

---

- Total cost to Central is \$15 million
- Initial stage (prior to upgrading Mereenie lateral) is:
  - 44 TJ/d firm at Mereenie
  - 15 TJ/d firm at Palm Valley
- After debottlenecking of external pipelines and subject to results of Palm Valley-13, this will rise to 58 TJ/d at Mereenie and 20TJ/d at Palm Valley
- Central's production modelling of existing reserves at Mereenie and Palm Valley shows 44 TJ/d at Mereenie can be sustained for 15 years and 15 TJ/d at Palm Valley for 9 years with workovers and other subsurface expenditure

# CENTRAL PETROLEUM'S SALES GAS SCHEDULE 2019

<b>Contracted (firm)</b>	<b>ACQ - Net to Central (TJ/day)</b>
Existing Contracts (Palm Valley / Mereenie)	13
Macquarie Pre-Sale (Palm Valley / Mereenie)	5
Existing Contracts (Dingo)	4
New 2019 GSA - Stage 1 *	20
New 2019 GSA - Stage 2 **	10
Residual Spot Sales (as available capacity) **	2
<b>Total Contracted</b>	<b>54</b>

<b>Plant Capacity</b>	<b>Net to Central (TJ/day)</b>
Mereenie	29
Palm Valley – subject to funding	20
Dingo	5
<b>Total Capacity</b>	<b>54</b>

\* Subject to successful conclusion of negotiations for a 2019 Gas Sale Agreement.

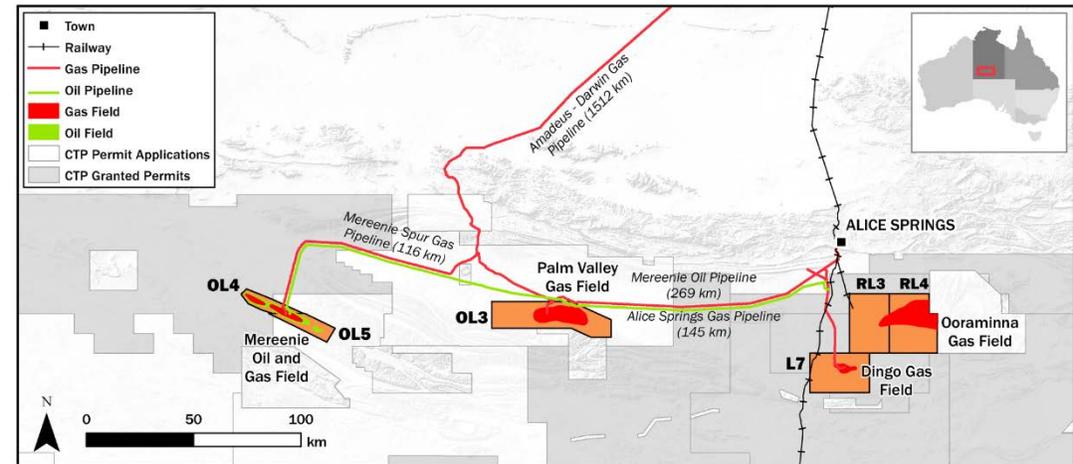

\*\* Post Mereenie lateral upgrade

# CENTRAL'S STRATEGY

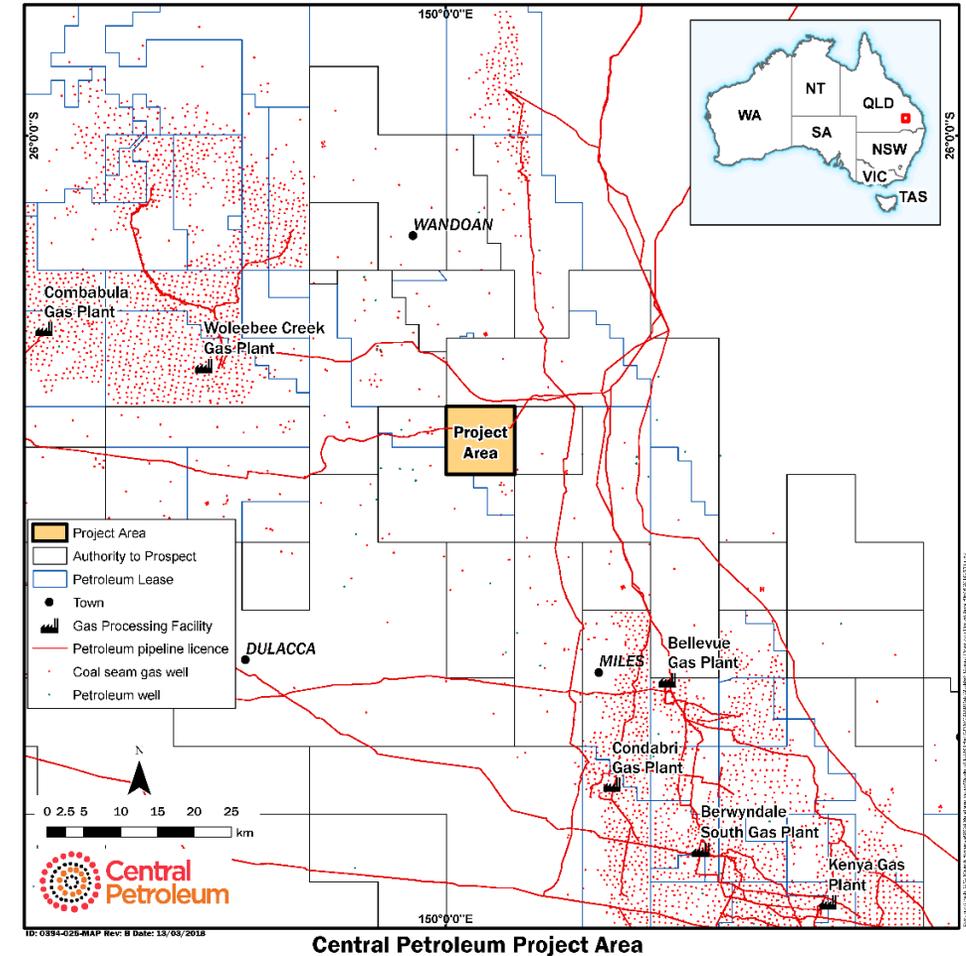

## PHASE 2

- Prove up the Stairway and Ooraminna
- Increase recovery of Palm Valley
- Drilling results will determine whether to just upgrade NGP or enough reserves to justify new pipeline dedicated to domestic market
- Develop as soon as possible ATP 2031 by drilling a 9 well programme in joint venture with IPL (CTP free-carry) – targeting 15-20 PJ p.a. (gross) (7.5-10 PJ p.a. nett to Central)
- Results of present programme will inform development plan needed to prove up Phase 2 reserves

# DELIVERING NEW QUEENSLAND ACREAGE – ATPA 2031

- 77km<sup>2</sup> coal seam gas acreage awarded on 1 March 2018 by the Queensland Government for Australian domestic gas supply
- ATPA 2031 is located midway between Miles and Wandoan in the eastern Surat Basin
- The permit lies within the north-eastern Walloon Fairway, surrounded by acreage held by QGC, Arrow and APLNG and comprises one (1) graticular block
- Estimate of 377 PJ of Original Gas In Place\* of which 150-180 PJ potentially recoverable
- CTP's four year programme comprises nine (9) wells and at least one (1) production test pilot totalling ~\$20 million

\* Estimate by Queensland Government as part of the tender process

# ENHANCED MANAGEMENT

---

## ROSS EVANS

appointed Chief Operating Officer with particular focus on Stage 1 with dotted line to Mike Herrington (now President – Operations & Chief Development Officer)

## ROBIN POLSON

appointed Chief Commercial Officer to focus on the commercial arrangements surrounding Stage 1 and focus on Stage 2

# NOTICE AND LEGAL DISCLAIMER

---

To the maximum extent permitted by law:

1. This presentation is not intended for prospective investors and does not purport to provide all of the information an interested party may require in order to investigate the affairs of Central Petroleum Ltd ("Company"). This presentation does not attempt to produce profit forecasts for the Company and should not be relied upon as a forecast or as a basis for investment in the Company. It presents details of scoping studies and does not present and should not be construed to present financial forecasts for potential shareholders or investors. The conclusions reached in this presentation are based on market conditions at the time of writing and as such may not be relied upon as a guide to future developments.
2. The information, data and advice herein is provided to recipients on the clear understanding that neither the Company nor any of its representatives, directors, officers, employees, agents or advisers ("Company Personnel") makes any representation or warranty about its accuracy, reliability, completeness or suitability for any particular purpose and does not accept liability (including, but not limited to, for any expenses, losses, damages and/or costs (including, but not limited to, indirect or consequential damage)) nor take any responsibility of any kind whatsoever (including, but not limited to, whether in contract, tort, financial or otherwise) for the information, data or advice contained or for any omission or for any other information, statement or representation provided to any recipient (including, but not limited to, as a result of information, data or advice being inaccurate, unreliable, incomplete or unsuitable in any way and for any reason whatsoever). Recipients of this document must conduct their own investigation and analysis regarding any information, statement or representation contained or provided to any recipient or its associates by the Company or any of the Company Personnel. Each recipient waives any right of action, which it has now or in the future against the Company or any of the Company Personnel in respect of any errors or omissions in or from this document, however caused. Potential recoverable petroleum numbers are estimates only until the prospects are evaluated further by drilling and/or seismic and are unrisks deterministically derived (unless stated otherwise). The data and information herein are subject to change.
3. This document is the property of the Company. The recipient of this presentation should take appropriate legal advice as to whether such receipt contravenes any relevant jurisdiction's financial or corporate regulatory regimes, and, if so, immediately destroy this material or return it to the sender.
4. Reserves and contingent resources statements and other opinions expressed by the Company in this presentation may not have been reviewed by relevant Joint Venture partners. Therefore those reserves and contingent resources and opinions represent the views of the Company only. Activities which may be referred to in this presentation are subject to several contingencies inclusive of force majeure, access, funding, appropriate crew and equipment and may not have been approved by and relevant Joint Venture partners and accordingly constitute a proposal only unless and until approved.
5. This presentation may contain forward-looking statements. Forward looking statements are only predictions and are subject to risks, uncertainties and assumptions which may be outside the control of the Company and could cause actual results to differ materially from these statements. These risks, uncertainties and assumptions include (but are not limited to) funding, exploration, commodity prices, currency fluctuations, economic and financial market conditions in various countries and regions, environmental risks and legislative, fiscal or regulatory developments, political risks, project delay or advancement, approvals, cost estimates and other risk factors described from time to time in the Company's filings with the ASX. Actual values, results or events may be different to those expressed or implied in this presentation. Given these uncertainties, readers are cautioned not to place reliance on forward looking statements. Any forward looking statement in this presentation is valid only at the date of issue of this presentation. Subject to any continuing obligations under applicable law and the ASX Listing Rules, or any other Listing Rules or Financial Regulators' rules, the Company and the Company Personnel do not undertake any obligation to update or revise any information or any of the forward looking statement in this document if facts, matters or circumstances change or that unexpected occurrences happen to affect such a statement. Sentences and phrases are forward looking statements when they include any tense from present to future or similar inflection words, such as (but not limited to) "believe," "understand," "estimate," "anticipate," "plan," "predict," "may," "hope," "can," "will," "should," "expect," "intend," "projects," "is designed to," "with the intent," "potential," the negative of these words or such other variations thereon or comparable terminology, may indicate forward looking statements and conditional verbs such as "will," "should," "would," "may" and "could" are generally forward-looking in nature and not historical facts.
6. No right of the Company or its subsidiaries shall be waived arising out of this presentation. All rights are reserved.
7. If the whole or any part of a provision of this "Notice and Legal Disclaimer" is invalid, illegal or unenforceable, then such provision will be severed and neither that part or provision or its severance will affect the validity or enforceability of the remaining parts or provisions.
