**DINGO GAS DELIVERED
INTO OWEN SPRINGS POWER STATION**

Central Petroleum Limited (**ASX:CTP**) ("**Company**" or "**Central**") today announced that the physical tie-in to the Owen Springs Power Station by the customer is being commissioned and Dingo gas has therefore passed the Delivery Point under the Gas Supply and Purchase Agreement (GSPA).

Central completed its Dingo Gas Project pipeline and plant before 1 April 2015 on time and under budget with production subject to tie-in by the customer to the Company's delivery point at Owen Springs Power Station.

Under the GSPA, the Take or Pay provision was triggered effective 1 April 2015 and therefore over \$2.5 million of revenue will be paid in January 2016.
