ASX RELEASE

DroneShield Engages Cassidy & Associates to assist with the US Federal Market

- **DroneShield has engaged a pre-eminent Washington, DC government relations firm, Cassidy & Associates, Inc., to advise the Company on U.S. federal government budgetary allocations and on contracting with U.S. government agencies.**

DroneShield Ltd (ASX:DRO) ("DroneShield" or the "Company") is pleased to announce an appointment of Cassidy & Associates, Inc. ("Cassidy"), a pre-eminent Washington, DC government relations firm, whereby Cassidy will advise the Company on contracting with U.S. government agencies, contracts in connection with U.S. federal government budgetary allocations, as well as on other U.S. federal government relations matters.

Cassidy is a leading bipartisan government relations firm with a particular focus on defence, and expertise in budgetary appropriations, federal procurement processes, and warfighter modernization programs.

Cassidy's DroneShield advisory effort is headed by Cassidy's head of Defense practice Terry Paul, a retired U.S. Marine Corps General, who is best known in Washington for his experience as the Marine Corps liaison officer in the U.S. Senate, a post he held for an unprecedented ten years.

The Company's global leadership position in the counterdrone sector was underscored this week by a video report released on the Company by the national U.S. TV channel CBS, which can be viewed at the Company's videos page at <https://www.droneshield.com/videos>.

The Company is presently in a number of material value government sector procurement processes internationally. Status updates on these processes will be provided as they become available.
