DroneShield to Participate in Night Hawk 2018

- **DroneShield selected by Danish Special Operations Command to Participate in Night Hawk 2018 Exercise held at the Aalborg Airbase in Denmark.**
- **Collaboration with Special Operations Command End Users.**

DroneShield Ltd (ASX:DRO) ("DroneShield" or the "Company") is pleased to announce that it has been selected by the Danish Special Operations Command to participate in the Night Hawk 2018 exercise held at the Aalborg Airbase in Denmark, with DroneShield deploying its system there on 19-21 September.

Night Hawk 2018 is a major NATO annual military training exercise, with approximately 1,800 personnel from 10 NATO countries taking part.

DroneShield will be deploying its DroneSentry™ integrated detect and defeat counterdrone system at the event, and is the only company invited to deploy such system at the exercise.
