### Elk Petroleum Launches New Website and Company Logo

---

Elk Petroleum (ASX:ELK) is delighted to officially announce the launch of our newly designed website. The new site launched on Friday 27 January 2017 and is now available. The new URL is: <http://www.elkpet.com>

At ELK, our goal for the new website is to provide our shareholders, analysts and other visitors with a user friendly and comprehensive website. The new innovative site will offer more functionality and easier navigation with more in-depth information about EOR (Enhanced Oil Recovery) and Elk's continued growth in this industry.

#### **ABOUT ELK PETROLEUM**

Elk Petroleum Limited (ASX: ELK) is an oil and gas company specialising in Enhanced Oil Recovery (EOR), with assets located in one of the richest onshore oil regions of the USA, the Rocky Mountains. Elk's strategy is focused on applying proven EOR technologies to mature oil fields, which significantly de-risks the Company's strategy of finding and exploiting oil field reserves.
