Generally, a listed company cannot, in any 12 month period, issue a number of Equity Securities which is more than 15% of their fully paid ordinary shares on issue without shareholder approval (**15% limit**), unless an exception applies. The Company has not exceeded this 15% limit. Assuming approval by Shareholders under Resolution 8, the Convertible Loan Facilities will be issued in accordance with ASX Listing Rule 7.1 and therefore the Company will have complied with the listing rules when the convertible securities are issued within 3 months of the EGM. The effect of this is that any subsequent conversion of the convertible securities into Shares will be exempted from ASX Listing Rule 7.1.

For the purposes of ASX Listing Rule 7.3, the following information is provided to Shareholders:

- (a) The Convertible Loan Facilities will provide the flexibility to raise additional funds with a face value of up to A\$7,894,736.84 (USD\$6,000,000), including potential conversion of up to 76,647,931 Shares;

- (c) The Convertible Loan Facilities will be issued with a face value of up to A\$7,894,736.84 (USD\$6,000,000), with the Shares on conversion to be issued at \$0.103 per Share. The Shares, should the Convertible Loan Facilities be issued and converted, will be fully paid ordinary shares and will rank equally in all respects with the Company's existing shares on issue;
- (d) The identity of potential allottee/s has not yet been determined. The identity of the allottee/s will be at the discretion of the Company or in consultation with any broker the Company may engage to assist in the placing the Convertible Loan Facilities or both and who are not related parties and who are exempt, sophisticated or professional investors. Furthermore the Convertible Loan Facilities will not be issued to any parties who would require approval under Item 7 of section 611 of the Corporations Act;
- (e) The Convertible Loan Facilities will be issued on the terms outlined in Schedule 1. Under the terms of the Convertible Loan Facilities, the Convertible Loan Facilities can be converted into shares up to 31 March 2020 (subject to whether any holders elect to convert and on which date of conversion, as outlined in Schedule 1).
- (f) All of the funds that can be raised in the Convertible Loan Facilities subject of Resolution 8, will be used to acquire interests in the Madden Gas Field and Lost Cabin Gas Plant from Freeport McMoRan and other unit holders, payment of transaction costs and filing fees associated with the Convertible Loan Facilities, and for general working capital and cash coverage for the Elk Group. There will be no new funds raised from the conversion of the Convertible Loan Facilities into Shares;

The approval of the Convertible Loan Facility can also provide flexibility to retain a relatively greater proportion of the refreshed 15% capacity, which is re-instated assuming shareholder approval of Resolutions 1-7, than would be otherwise possible without the approval of allotments subject to this Resolution 8.

(g) A voting exclusion applies to this resolution, as set out in the Notice of Meeting on page 9.
