Re: Fluence Corporation Limited – Request for Trading Halt

Dear Kate,

Pursuant to ASX Listing Rule 17.1, Fluence Corporation Limited ACN 127 734 196 (ASX Code: FLC) (**Fluence**) hereby requests a trading halt of the Fluence ordinary shares effective from the commencement of trading today, 4 August 2017.

The trading halt is requested at this time pending an announcement by Fluence regarding a strategic capital investment in the Company, corner stoned by a well-known global fund. The trading halt is intended to prevent trading taking place on an uninformed basis.

Fluence requests the trading halt to remain in place until the earlier of (i) such time as it has made an announcement to the market concerning the proposed capital raise and (ii) the commencement of trading on Tuesday 8 August 2017.

Fluence is not aware of any reason why the trading halt should not be granted or of any other information necessary to inform the market or ASX about the trading halt.

Please contact me if there are any queries regarding this request.

Yours faithfully,
