

**Fluence further strengthens its Board with appointment of Non-Executive Director Paul Donnelly**

Mr Donnelly is an accomplished financial services executive with international experience, particularly within infrastructure and utilities sectors.

*Melbourne, New York, 20 July 2018*

Fluence Corporation Limited (ASX: FLC) is pleased to announce that Paul Donnelly has been appointed to the Company's board as a Non-Executive Director. Paul's appointment fills a casual vacancy left by the recent retirement of Robert Wale. Mr. Donnelly is an accomplished financial services executive with international experience across all aspects of capital markets, with particular skills in infrastructure and utilities.

Mr. Donnelly joined Macquarie Group in 1995 where he is an Executive Director. Over the past 23 years at Macquarie Group, Mr. Donnelly has had extensive experience across all aspects of corporate finance and capital markets. He has held several senior roles including Global Head of Equity Capital Markets, Global Head of Debt Capital Markets and country head of Macquarie's Canadian businesses.

Mr. Donnelly is a member of the Institute of Chartered Accountants in England and Wales and the Australian Institute of Company Directors. He holds a BSc (Hons) from the University of Southampton, and has completed the Advanced Management Program at Harvard Business School.

Commenting on Paul's appointment to the Board, Fluence's Executive Chairman Richard Irving said: "We are delighted that Paul has joined our Board. He brings extensive global financial markets experience, with particular skills in infrastructure finance, which will support the company's future growth. With an international outlook and skill set, Paul's appointment further strengthens the company's board as we execute our growth plans and deliver on the opportunities we see ahead of us."

#### **About Fluence Corporation Limited (ASX: FLC)**

Fluence has experience operating in over 70 countries worldwide and employs more than 300 highly trained water professionals around the globe. The Company provides local, sustainable treatment and reuse solutions, while empowering businesses and communities worldwide to make the most of their water resources.

Fluence offers an integrated range of services across the complete water cycle, from early stage evaluation, through design and delivery to ongoing support and optimization of water related assets. With established operations in North America, South America, the Middle East and Europe, Fluence is also expanding into China's rural wastewater treatment market.

Global consultancy Frost and Sullivan awarded Fluence Corporation "2018 Global Decentralized Water and Wastewater Treatment Company of the Year", noting in their award dissertation:

*"While typical decentralized water treatment systems are relatively expensive, complicated, and inefficient, Fluence Corporation leverages innovative and smart technology solutions backed by decades of industrial know-how to excel in water and wastewater treatment solutions. Fluence's excellence becomes apparent through its success, as the company continues to expand its existing offerings as well as partnerships with other prominent companies in the industry. With its easy to use, sustainable, smart and cost-effective solutions as well as a remarkable year of growth, innovation, and leadership, Fluence Corporation earns Frost & Sullivan's 2018 Global Company of the Year Award in the decentralized water and wastewater treatment industry."*
