Perth Development Application Lodged

Indoor Skydive Australia Group Limited (ASX:IDZ) (ISA Group) today announced that the Development Application for the iFLY Perth, indoor skydiving facility has been lodged with the Belmont City Council in Perth.

The Perth facility is the third wind tunnel in ISA Group's Australian roll out plan. iFLY Perth will be located at 143 Great Eastern Highway, Rivervale, 5 kilometers from the Perth CBD along the main route to the international and domestic airports. The iFLY Perth facility will comprise a 14ft diameter glass chamber vertical wind tunnel on the site, catering to the retail/tourist and military/professional markets.

Construction is planned to commence mid next year and the facility is expected to be fully operational by mid 2016, subject to approval times.
