

iSignthis announce partnership with financial trading technologies specialist, ayondo.

Highlights:

- **iSignthis to integrate full Payidentity™ suite to ayondo**
- **ayondo to meet the 4th AML Directive and PSD2 requirements via iSignthis Payidentity™ solution**
- **Service is set to go live; transacting within Q2 of 2017**

Melbourne, 6th of February 2017 – iSignthis Ltd (ASX : ISX) are pleased to announce that it has entered into an agreement with financial trading technologies specialist, ayondo.

iSignthis is set to provide ayondo with its full Payidentity™ service including; Payment Instrument Verification, Digital KYC, Strong Customer Authentication and Payment Gateway. The service is set to be live and transacting within the second quarter of 2017.

Founded in 2008, ayondo specializes in financial trading technologies, covering a broad spectrum of services including both retail and institutional sectors. The global group has developed some of the most intuitive trading and social trading platforms with users from over 195 different countries.

The iSignthis service opens the potential customer market for ayondo to any of the worlds 3.5Bn finically included person's. This integration will allow ayondo to streamline services, whilst benefiting from the added features including transaction monitoring, threshold management and intelligent routing.

The iSignthis service provides an automated customer on-boarding system, allowing ayondo to meet the stringent KYC and authentication requirements set out by the 4th Anti-Money Laundering Directive and the Payment Service Directive 2.

About ayondo

ayondo is a Financial Technology Group and a global leader specialising in Social Trading, offering both innovative B2B and B2C trading and investment solutions. At the core of the holding is the Social Trading provider ayondo GmbH, based in Frankfurt and the FCA regulated investment firm ayondo markets Ltd. based in London. ayondo offers both a sophisticated online trading platform and a leading Social Trading platform. Social Trading allows retail investors to automatically copy the trades of experts.

In 2013 ayondo was listed in the top 50 technology companies worldwide in the area of financial technology ("FinTech 50").
