

ASX/MEDIA RELEASE

13 November 2014

MAGNOLIA LNG PROJECT PROCESS AND PROGRESS WITH FERC

Liquefied Natural Gas Limited (**ASX: LNG; OTC ADR: LNGLY**) ("**LNG**" or the "**Company**") wishes to provide an update on the status of Environmental Information Requests from the Federal Environmental Regulatory Commission (**FERC**) in relation to the Company's wholly owned subsidiary, Magnolia LNG LLC (**MLNG**).

In response to two separate environmental information requests from FERC issued on 23 October 2014, MLNG and Kinder Morgan Louisiana Pipeline submitted their respective responses to FERC on Tuesday, 11 November 2014.

As noted in previous releases, these information requests are consistent with the normal process for applications filed under Sections 3 and 7 of the Natural Gas Act for LNG terminals and interstate pipelines in USA and allow FERC to clarify certain aspects of the filings to assist them to issue a combined Draft Environmental Impact Statement for the projects.
