ASX RELEASE

19 June 2018

Dealer's License for United Greeneries

MMJ PhytoTech Limited (ASX: MMJ) ("MMJ") is pleased to note the attached news release by Harvest One Cannabis Inc. (TSXV:HVT) ("Harvest One") confirming that its wholly-owned subsidiary, United Greeneries ("UG"), has received a Dealer's License pursuant to the Controlled Drugs and Substances Act under Health Canada.

The license now allows UG to import narcotics into Canada, including its signature Gelpell Microgel CBD capsules that are produced in Switzerland and that are already sold as a nutritional supplement in the European Union and as a prescription drug in Australia. The license also allows Harvest One to export its medical cannabis products to other markets with favourable medical cannabis regulations, including Germany.

United Greeneries receives Dealer's License to allow for imports and exports of cannabis products and establishing of product development platform

Harvest One Cannabis Inc. (TSXV:HVT) ("**Harvest One**" or the "**Company**") is pleased to advise that its wholly owned subsidiary, United Greeneries ("**United Greeneries**" or "**UG**"), has received a Dealer's License pursuant to the Controlled Drugs and Substances Act under Health Canada.

The license now allows UG to import narcotics into Canada, including its signature Gelpell Microgel CBD capsules that are produced in Switzerland and that are already sold as a nutritional supplement in the European Union and as a prescription drug in Australia.

The Dealer's License further allows the Company to export its medical cannabis products to other markets with favourable medical marijuana regulations, including Germany.

With this license, the Company will also further engage in research and development of cannabis infused products and is preparing a state-of-the art product development centre at its Duncan facility in British Columbia, planning to soon offer several value-add services to the industry, including a full quality control laboratory and co-packaging.

"Securing our Dealer's License is a significant milestone for United Greeneries and Harvest One. This is an important step in supplying our Satipharm products to Canadian consumers and also allows us to expedite the development of Dream Water's CBD infused product line," said Andreas Gedeon, CEO of Harvest One. "We will be expanding our global presence and leveraging Satipharm's supply agreements to bring our products to international markets."
