Regeneus receives R&D tax incentive of \$2.6m

Sydney, Australia – 29 August 2017

Regeneus (ASX: RGS), a clinical-stage regenerative medicine company, today reported that it has received \$2.6m from the Australian Government's Research and Development tax incentive program for activities conducted during the financial year 2017.

The Research and Development (R&D) tax incentive encourages companies to engage in R&D and innovation, benefiting Australia, by providing a tax offset for eligible R&D activities.
