Joint Venture Proposal with CEN

Rum Jungle Resources Limited (ASX: RUM) notes that the shares of Central Australian Phosphate Limited (ASX: CEN) are in trading halt at the request of CEN, pending the release of an announcement by CEN regarding a Joint Venture Proposal received from RUM.

RUM confirms that it has put a non-binding proposal to CEN for CEN and RUM to form a joint venture in respect of certain of their respective phosphate resources for discussion. RUM understands that its proposal is being considered by the board of CEN. However, there is no certainty that the proposal will eventuate in the parties reaching agreement.

RUM confirms that the status of its takeover bid for CEN is not affected by the proposal, and RUM encourages CEN shareholders to accept its takeover offer as soon as possible.
