Company Update & Acquisition of Three Franchise Clinics

Traditional Therapy Clinics Limited (ASX: TTC) (**TTC** or the **Company**) advises investors that business continues as usual, and the Company is continuing to pursue its stated strategy to own more owner operated clinics, as well as diversify its service offering into the aged care sector, supplement by providing education for the healthcare industry.

The Company wishes to advise that through its wholly owned subsidiary, Fuqiao (Chongqing) Holdings Co. Limited, TTC has entered into agreements to acquire three franchise clinics located in the Hainan Province, Guangxi Province, and Guangzhou Province. These new acquisitions, together with three other clinics acquired in January 2017, are in line with a key element of the business strategy which is to grow its owned clinic network and increase revenues and profit.

The combined purchase price for these new clinics will be paid in cash by TTC and totals RMB 27.9 million which equates to AUD 5.3 million at an exchange rate of 5.264 (AUD:RMB). The total purchase price represents an average EBITDA multiple of 3.31 times based on the clinics' earnings in the 2016 financial year. Operational functions of these new clinics will be transferred to TTC in May 2017.

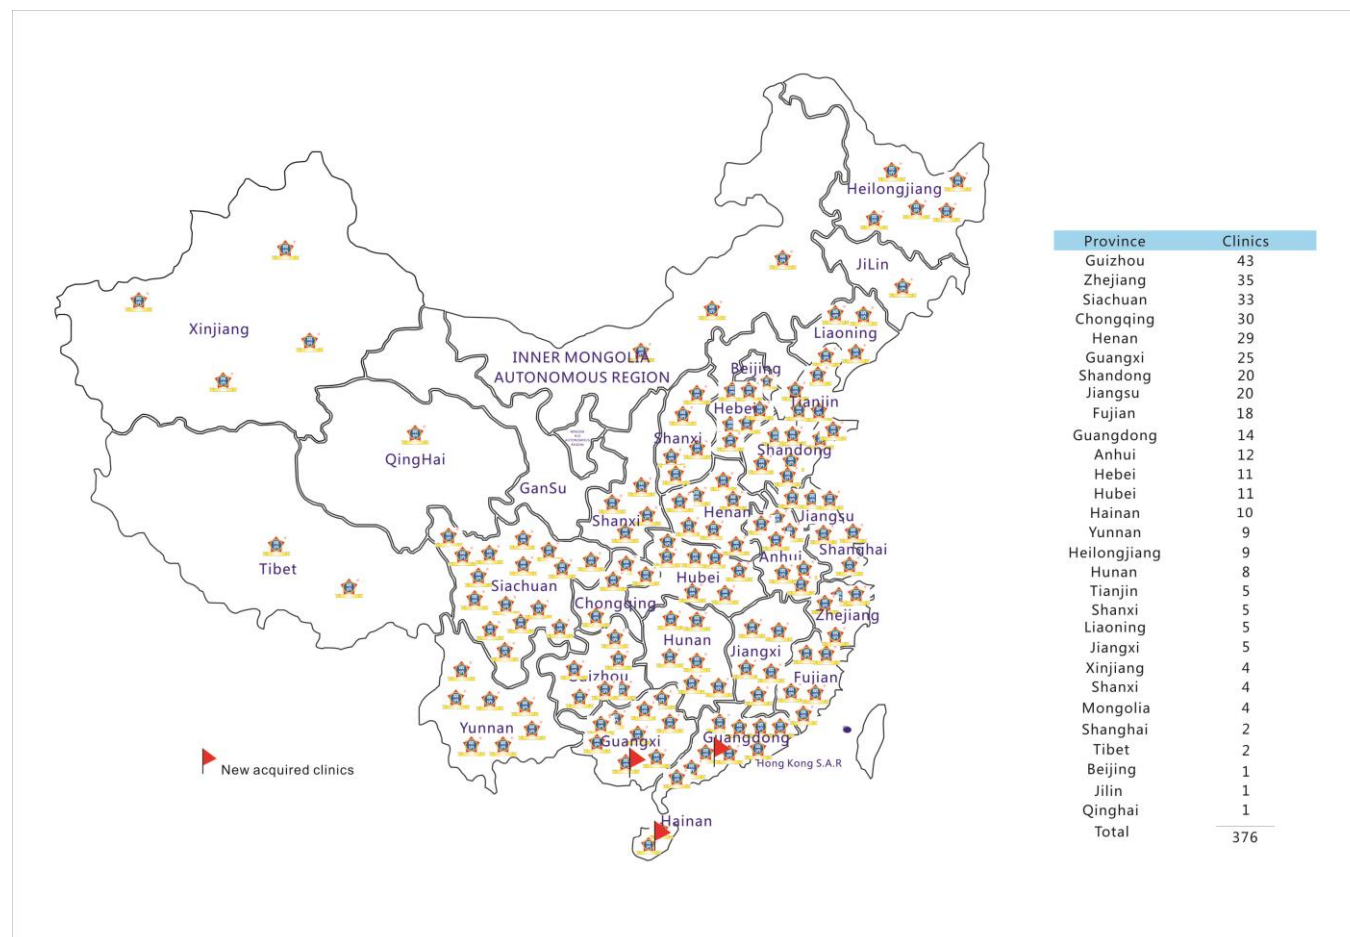

Signing of these contracts takes the number of clinics acquired by TTC since listing on the ASX in September 2015, to 21 and the total number of owned clinics to 32. The total number of franchised and owned clinics and new franchise licenses granted and clinics acquired by TTC during the 2015 to 2017 calendar years are shown below:

TTC's Growth Strategy

TTC's multi-pronged growth strategy includes focusing on:

- Growing its number of franchised clinics; and
- Expanding its owned clinic network through the acquisition of existing clinics (from third parties or franchisees) or developing Greenfield owned clinics in suitable locations.

The "owned clinic" model is one key focus of the company given the ability to generate a greater return on investment and its added advantage of assisting with projecting TTC's brand and further demonstrating the high standards of quality and service within the TTC network.
