

VENUS METALS
CORPORATION LIMITED

ASX Release: 15 June 2016

ASX Code: VMC

**WA GOVERNMENT CO-FUNDED DRILLING PROGRAMME GRANT
CURARA WELL GOLD-DIAMOND-BASE METALS PROJECT
DOOLGUNNA REGION**

The Directors of Venus Metals Corporation Limited (“Venus”) are pleased to announce that the Company has been awarded a **\$150,000 grant* toward drilling on the Curara Well Gold-Diamond-Base Metals Project at Doolgunna Region, under WA Government Exploration Incentive Scheme Co-funded Exploration Drilling Programme.**

A program of diamond drilling is being designed to test the previously announced, coincident geochemical anomalies and deeper structural geophysical VTEM/aeromagnetic targets on the Curara Well Project (refer ASX release 14 October 2015).

Venus looks forward to updating shareholders as exploration progresses at Curara Well.

**Venus will be required to match the \$150,000 funding grant on a dollar-for-dollar basis on direct drilling costs.*

Competent Persons Declaration:

The information in this report that relates to Exploration Results, Mineral Resources or Ore Reserves is based on information compiled by Mr T. Putt of Exploration & Mining Information Systems, who is a member of The Australian Institute of Geoscientists. Mr Putt has sufficient experience that is relevant to the style of mineralisation and type of deposit under consideration and to the activity that he is undertaking to qualify as a Competent Person as defined in the 2012 Edition of the "Australian Code for Reporting of Exploration Results, Mineral Resource and Ore Reserves". Mr Putt consents to the inclusion in the report of the matters based on his information in the form and context in which it appears.

The information in this report has also been prepared by Mr Kumar Arunachalam, who is a Member of The Australasian Institute of Mining and Metallurgy and is a General Manager (Operations) of the Company. Mr Arunachalam has sufficient experience that is relevant to the style of mineralisation and type of deposit under consideration and to the activity that he is undertaking to qualify as a Competent Person as defined in the 2012 edition of the Australian code for Reporting of Exploration Results, Minerals Resources and Ore Reserves. Mr Arunachalam consents to the inclusion in this report of the matters based on his information in the form and context that the information appears.

Forward-Looking Statements

This document may include forward-looking statements. Forward-looking statements include, but are not limited to, statements concerning Venus Metals Corporation Limited planned exploration program and other statements that are not historical facts. When used in this document, the words such as "could," "plan," "estimate," "expect," "intend," "may", "potential," "should," and similar expressions are forward-looking statements. Although Venus Metals Corporation Ltd believes that its expectations reflected in these forward-looking statements are reasonable, such statements involve risks and uncertainties and no assurance can be given that actual results will be consistent with these forward-looking statements.
