ABOUT XPED

Xped is an Australian Internet of Things (“IoT”) technology business. Xped has developed revolutionary and patent-protected technology that allows any consumer, regardless of their technical capability, to connect, monitor and control devices and appliances found in our everyday environment. It’s as simple as two people shaking hands. By enabling the Internet of Things, Xped’s ADRC platform will bring benefit to Manufacturers, Retailers, Service Providers, and Consumers.

At Xped, we’re **Making Technology Easy Again**
