

30th January, 2017: OtherLevels Holdings Limited (ASX: OLV) (OtherLevels) has today released its Appendix 4C for the quarter ended December 2016.

- Cash receipts of \$1,132k for the quarter, compared to \$489k the previous quarter.
- An overall reduction in operating and investing costs of \$1,183k from the previous quarter.
- A reduction in operating costs for research, development, staff, administration and corporate costs to \$1,554k from \$2,890k in the previous quarter.
- Continued increase in sales activity with 4 new deals and a growing pipeline of 2017 opportunities in the last 4 months of 2016.
- Strong growth in message volumes and new product adoption from a number of large clients, which will convert into higher renewals early in 2017.
- Successful execution and maintenance of cost reduction strategies, in support of the goal of achieving positive operating cash in the second half of 2017.
- Recognition for the second time by Forrester Research of the Company's global standing as one of 25 leading marketing automation platforms in the November 2016, **Mobile Engagement Automation Solutions** report.
- Purchase by 2 clients of the new Action Engine real-time messaging option.
- Resolution of the delayed deferred payment for the June 2016 placement, as previously announced to the market, and working with Lodge Partners to conclude the remainder of the fund raising.

In summary, after a challenging period in mid 2016, the Company is seeing the results of the streamlined go to market focus, from a reduced and balanced cost base. In the last few months of 2016, the Company signed new clients, including a US based online publisher, another UK based wagering client, one of the leading UK financial services comparison sites, and a licenced casino. The company is maintaining its recognised leadership in the wagering sector, and growing its presence in membership sectors such as publishing and travel and hospitality.

The Company's Board and management remain absolutely focused upon successfully monetising OtherLevels' valuable proprietary smart messaging platform in global markets, and will shortly release an operational update with the half year results. The focus remains on sales, operational costs and the goal of achieving positive operational cash flow.

Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
2. If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. Payments to employees totalled \$1.38 million, comprising of research & development (1.2(a) - \$167k), staff costs (1.2(b) - \$768k) and software development (2.1(d) - \$445k). The allocation between these categories may vary from quarter to quarter, depending on the activities undertaken by employees.
5. As advised to the market on the 3rd November 2016, a loan facility of \$0.8 million was put in place from Mr Brian Mitchell and Mr Brendan O'Kane, directors of OtherLevels Holdings Limited. \$450k of this facility was drawn during the quarter.
