

PDAC: The World's Premier Mineral Exploration & Mining Convention is the leading convention for people, governments, companies and organizations connected to mineral exploration. In addition to meeting more than 1,100 exhibitors, 2,500 investors and 23,000 attendees in person in 2020, participants could also attend programming, courses and networking events.

The annual convention is held in Toronto, Canada. It has grown in size, stature and influence since it began in 1932 and today is the event of choice for the world's mineral industry. From 2021 it is also offered as an online event.

PDAD 2022 will now be hosted in person in Toronto from June 13-15 and online on June 28, 29:
