iSOFT RECOMMENDS CASH PROPOSAL FROM CSC

Sydney – Saturday, 2 April 2011 – iSOFT Group Limited (ASX: ISF) announces it has entered into a Scheme Implementation Agreement with CSC Computer Sciences Australia Holdings Pty Ltd, a wholly owned subsidiary of Computer Sciences Corporation (“CSC”) for the proposed acquisition by CSC of all the ordinary issued shares in iSOFT⁽¹⁾.

Under the proposed acquisition, iSOFT shareholders will receive A\$0.17 in cash per share. Immediately following completion, it is expected that iSOFT’s senior banking facilities and convertible notes will be repaid in full.

CSC is listed on the New York Stock Exchange with a market capitalisation of approximately US\$7.6 billion. It is a global leader in providing technology enabled business solutions and services, and is a strategic partner of iSOFT in relation to its existing NPfIT contract in the UK.

The proposal from CSC arises from the strategic review initiated by the Directors of iSOFT following the conclusion of the FY10 financial year, with the intention of examining ways to maximise the value for existing shareholders and reduce group indebtedness. The review also included investigation of recapitalisation proposals and asset sales. The proposal from CSC is considered by the Board of iSOFT to offer the best outcome for all stakeholders taking into account the proposed price and expected timing of completion.

Commenting on the proposed acquisition, iSOFT Chairman Bob Ellis said:

“The proposed acquisition enables shareholders to realise cash for their iSOFT shares at a significant premium to recent trading levels. It provides for the repayment of all iSOFT senior banking facilities and convertible notes.”

“In addition, CSC’s global scale and financial strength can be expected to lead to improvements in iSOFT’s ability to deliver services to customers and provide employees with additional opportunities.”

Commenting on the proposed acquisition, iSOFT Chief Executive Andrea Fiumicelli said:

“iSOFT’s Electronic Health Record software and services, coupled with CSC’s global healthcare expertise and delivery capabilities will create a very powerful force in the global healthcare market to enhance the provision of integrated care. This is a great development for iSOFT’s employees as they will have the opportunity to continue their important work in healthcare IT whilst developing their careers across CSC’s global business.”

Commenting on the proposed acquisition, Michael W. Laphen, CSC Chairman, President and Chief Executive Officer said:

“The combination of these companies will further establish CSC as an innovative leader in global healthcare IT. Through our combined experience in global healthcare delivery, complementary world-class healthcare software solutions, and enhanced capabilities in system integration, outsourcing and process management, we are forming a compelling lifecycle of services to better serve our global clients and improve patient care.”

The proposed acquisition of the shares will be implemented via a scheme of arrangement (“Scheme”) and is subject to a number of conditions including iSOFT shareholder approval of the Scheme and certain regulatory approvals, including approval by the Foreign Investment Review Board and EU merger clearance. The scheme implementation agreement is attached to this announcement and, in addition to the mechanics of the Scheme, contains provisions dealing with conditions precedent (see clause 3), a break fee (see clause 9) and exclusivity arrangements (see clause 13).

The Board of iSOFT intends to unanimously recommend that iSOFT shareholders vote in favour of the Scheme at the scheme meeting, in the absence of a superior proposal and subject to an independent expert concluding that the

¹ All options, performance rights, warrants and convertible notes will have the opportunity to be cancelled or acquired for consideration as part of the proposed transaction

Scheme is in the best interests of iSOFT shareholders. Subject to those same qualifications, each Director of iSOFT will vote all the iSOFT shares held by them in favour of the Scheme at the Scheme meeting.

iSOFT's major shareholder, Oceania Capital Partners Limited ("OCP") holds 24.5% of the ordinary issued shares of iSOFT. The Board understands that OCP will shortly make a statement in relation to the proposal.

The consideration of A\$0.17 in cash per share represents a premium of:

- 227% to the last traded price of \$0.052 per share on Thursday 24 March 2011, being the last day on which iSOFT shares traded prior to this announcement;
- 270% to the one month volume weighted average price to 24 March 2011 of \$0.046 per share; and
- 209% to the three month volume weighted average price to 24 March 2011 of \$0.055 per share.

If the Scheme is successful, OCP will have its convertible notes repaid in full and will have its warrants cancelled for the scheme consideration less the warrant strike price. A separate scheme for the cancellation of options will be proposed to option holders, however this scheme will not be interdependent with the Scheme.

A Scheme booklet containing information related to the proposed acquisition, reasons for the Directors' recommendation, and details of the Scheme meeting is expected to be sent to iSOFT shareholders in May 2011.

UBS AG and Gleacher Shacklock LLP are acting as financial advisers to iSOFT and Baker & McKenzie is acting as legal adviser to iSOFT.

Option Scheme Conditions

3.2 Subject to this clause 3, the Option Scheme will not become Effective and the obligations of the parties in relation to the Option Scheme (including the obligations of Bidder to pay the Option Scheme Consideration to Optionholders under the Option Scheme Deed Poll) do not become binding until each of the following Conditions is satisfied or waived in accordance with clauses 3.6 to 3.12:

Reasonable endeavours

- 3.3 Each of iSOFT and Bidder must use its reasonable endeavours to procure that, and Bidder must procure that its Related Bodies Corporate use their reasonable endeavours to procure that:
- (a) each of the Conditions is satisfied as expeditiously as possible and in any event on or before the Sunset Date and continues to be satisfied at all times until the last time it is required to be satisfied (as the case may require), including providing all reasonable assistance to the other party which is necessary to satisfy such Conditions; and
 - (b) there is no occurrence within the control of iSOFT or Bidder (as the context requires) or their Subsidiaries that would prevent the Conditions from being satisfied.
- 3.4 Without limiting clause 3.3, iSOFT or Bidder (as the context requires) must:
- (a) promptly apply for all relevant Regulatory Consents and provide the other party with a copy of all those applications;
 - (b) take all the steps for which it is responsible as part of the Regulatory Consent process, including responding to requests for information at the earliest practicable time;
 - (c) provide the other party with all information reasonably requested in connection with the applications for Regulatory Consents. Where the information is confidential or commercially sensitive to the party, it may provide the information directly to the relevant Government Agency; and
 - (d) use reasonable endeavours to consult with the other party in advance in relation to all material communications with any Government Agency relating to any Regulatory Consent and, so far as it is able, allow the other party and its Representatives the opportunity to be present at any meetings with any Government Agency.

Share splitting

- 3.5 If the Scheme is not approved by iSOFT Shareholders at the Scheme Meeting by reason only of the non-satisfaction of the Headcount Test and iSOFT considers (acting reasonably) that Share Splitting or some other abusive or improper conduct may have caused or contributed to the Headcount Test not having been satisfied, then iSOFT must:
- (a) apply for an order of the Court of the type contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
 - (b) make such submissions to the Court and file such evidence as counsel engaged by iSOFT to represent it in Court proceedings related to the Scheme, in consultation with Bidder, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test.

Waiver of Conditions

- 3.6 The Conditions in clauses 3.1(e) and (f) are for the joint benefit of iSOFT and Bidder and may only be waived jointly by them.

- 3.7 The Conditions in clauses 3.1(h), (j) and (l) are for the sole benefit of iSOFT and may only be waived by iSOFT.
- 3.8 The Conditions in clauses 3.1(g), (i), (k), (m) and (n) are for the sole benefit of Bidder and may only be waived by Bidder.
- 3.9 The Conditions in clauses 3.1(a), (b), (c), and (d) and clause 3.2 cannot be waived.
- 3.10 Any waiver of the Conditions in clause 3.1 (if permitted) must take place prior to 8.00 am on the Second Court Date to be effective.
- 3.11 Subject to clause 3.12, a waiver of any Condition precludes the party who has the benefit of the Condition from suing the other party for any breach of this Agreement that resulted from any breach or non-fulfilment of the Condition.
- 3.12 A party entitled to waive a Condition under this clause 3 may do so in its absolute discretion. If the party who has the benefit of a Condition waives a breach or non-fulfilment of the Condition on one or more terms, and the other party agrees to those terms, then those terms will apply notwithstanding any inconsistency with clause 3.10. If the other party does not agree to the terms of any waiver, the relevant Condition will not be waived

Failure of Condition

- 3.13 Subject to clauses 6.4 and 3.15, if a Condition in clause 3.1:
- (a) is not satisfied or (where capable of waiver) waived by the date specified for its satisfaction; or
 - (b) becomes incapable of being satisfied by the date specified for its satisfaction and is not waived,
- and neither of the following has occurred:
- (c) the Independent Expert has opined to the effect that the Scheme is not in the best interest of iSOFT Shareholders; or
 - (d) a Superior Proposal has been received,
- then iSOFT and Bidder must consult in good faith with a view to determining whether:
- (e) the Scheme and/or Option Scheme may proceed by way of alternative means or methods;
 - (f) to extend the relevant time or date for satisfaction of the Conditions in clause 3.1;
 - (g) to change the date of the application to be made to the Court for orders under section 411(4)(b) of the Corporations Act approving the Scheme and/or Option Scheme or adjourning that application (as applicable) to another date agreed by iSOFT and Bidder; or
 - (h) to extend the Sunset Date.
- 3.14 If iSOFT and Bidder are unable to reach agreement under clause 3.13 within five Business Days of the date on which they both become aware that a Condition in clause 3.1 is not satisfied or has become incapable of being satisfied (or, if earlier, by 8.00 am on the Second Court Date), or the parties are not required in the circumstances to consult under clause 3.13, then unless the relevant Condition in clause 3.1 is waived (and subject to clause 3.15):

- (a) the party entitled to the benefit of that Condition in clause 3.1; or
- (b) either iSOFT or Bidder in the case of a Condition in clause 3.1 which is for the benefit of both of them jointly,

may terminate this Agreement at any time prior to 8.00 am on the Second Court Date with immediate effect by written notice to the other party.

- 3.15 A party may not terminate this Agreement under clause 3.14 if the relevant Condition has not been satisfied, or is incapable of being satisfied, or there is an occurrence that will prevent the relevant Condition being satisfied by the date specified in this Agreement for its satisfaction, as a result of a breach of this Agreement by an act or omission of that party or its Related Bodies Corporate, which either alone or together with other circumstances, prevents that Condition being satisfied or capable of being satisfied.
- 3.16 Subject to the rights of the parties under clauses 7.7, 10 and 11 of this Agreement, following any termination under clause 3.14 no party will have any liability to the other parties in respect of this Agreement, other than in respect of a breach of this Agreement occurring prior to that termination.

Notice of changes

- 3.17 iSOFT must promptly notify Bidder, and Bidder must promptly notify iSOFT, after it becomes aware that any Condition has been satisfied, has become incapable of being satisfied or is not reasonably capable of being satisfied (having regard to the respective obligations of each party under clauses 3.3 and 3.4). Without limiting the obligations of the parties under the preceding sentence, the Bidder must keep iSOFT informed of all progress regarding the satisfaction of the Condition in clause 3.1(f)(ii) and must promptly notify iSOFT as soon as it becomes aware that that Condition has been satisfied or is unlikely to be satisfied in sufficient time as to allow Implementation prior to the Sunset Date. In such event iSOFT may terminate this Agreement with immediate effect by written notice to Bidder.
- 3.18 Upon receipt of notice given under clause 3.17, iSOFT or Bidder, as applicable, must give notice to the notifying party as soon as practicable as to whether or not it waives the breach or non-fulfilment of any Condition which has become incapable of being satisfied.
- 3.19 iSOFT must promptly notify Bidder, and Bidder must promptly notify iSOFT, of any change, matter, event or circumstance causing, or which so far as can reasonably be foreseen, would cause:
- (a) a representation or warranty in this Agreement to be breached; or
 - (b) a material breach of this Agreement,
- and must provide Bidder or iSOFT (as applicable) with reasonable details of the relevant breach.

Certificates

- 3.20 On the Second Court Date:
- (a) Bidder and iSOFT will provide a joint certificate to the Court confirming whether or not the Conditions set out in clauses 3.1(e) and (f) have been satisfied or waived in accordance with the terms of this Agreement;

- (b) iSOFT will provide a certificate to the Court confirming whether or not the Conditions set out in clauses 3.1(a), (b), (g), (i), (k), (l), (m) and (n) relating to the Scheme and clause 3.2 relating to the Option Scheme have been satisfied or waived in accordance with the terms of this Agreement; and
- (c) Bidder will provide a certificate to the Court confirming whether or not the Conditions set out in clauses 3.1(h) and (j) have been satisfied or waived in accordance with the terms of this Agreement.

iSOFT Material Adverse Change Condition

- 3.21 For the avoidance of doubt, if the Bidder asserts that an iSOFT Material Adverse Change has occurred, iSOFT shall have the burden of proving that any of the matters in paragraph (d) to (i) of the definition of iSOFT Material Adverse Change prevents the occurrence of, or prevents Bidder from asserting that there has been, an iSOFT Material Adverse Change.

4 Scheme of Arrangement

Scheme

- 4.1 iSOFT will propose a scheme of arrangement under which, subject to the Scheme becoming Effective, all of the Scheme Shares will be transferred to Bidder.
- 4.2 If the Court does not make orders on the First Court Date to convene the Option Scheme Meeting due to concerns it has regarding the Option Scheme and those concerns cannot be addressed by iSOFT without materially affecting the Timetable, iSOFT will discuss with the Bidder in good faith the most expedient way to proceed with the Option Scheme and if the parties cannot reach agreement within 2 Business Days of such discussions commencing (or such shorter period as the Court may allow on the First Court Date so that the Timetable is not materially affected), iSOFT may, to the extent that the Court makes orders to convene the Scheme Meeting on the First Court Date or on a subsequent date, implement only the Scheme and the Bidder Group will have no grounds for objecting (and will not object) to the implementation of the Scheme.
- 4.3 If the circumstances described in clause 4.2 occur, iSOFT will use its reasonable endeavours to work in good faith with the Bidder to seek to enter into agreements with as many Optionholders as possible, prior to the Implementation Date, whereby their Options will be cancelled in return for consideration paid by the Bidder.

Scheme Consideration

- 4.4 In consideration of the Scheme Shareholders transferring their Scheme Shares to Bidder at Completion, Bidder covenants in iSOFT's favour (in its own right and separately as trustee for each of the iSOFT Shareholders) that Bidder will, on the Implementation Date and contemporaneously with the transfer of the Scheme Shares to Bidder, pay to each Scheme Shareholder the Scheme Consideration in accordance with the Scheme and the Deed Poll.

Option Scheme Consideration

- 4.5 iSOFT will propose a scheme of arrangement under which, subject to the Scheme and Option Scheme becoming Effective, all of the Scheme Options will be cancelled.
- 4.6 In consideration of the Scheme Optionholders having their Scheme Options cancelled at Completion, Bidder covenants in iSOFT's favour (in its own right and separately as trustee for each of the Scheme Optionholders) that Bidder will, on the Implementation Date and

contemporaneously with the cancellation of the Scheme Options, pay to each Scheme Optionholder the Option Scheme Consideration in accordance with the Option Scheme and the Option Scheme Deed Poll.

- 4.7 The parties acknowledge that iSOFT may be regarded as having more than one class of Optionholders such that iSOFT may be required (and is expressly permitted) to propose more than one Option Scheme in order for all of the Scheme Options to be cancelled and in that event:
- (a) iSOFT will proceed to implement each Option Scheme in accordance with the terms of this Agreement; and
 - (b) all references in this Agreement to the Option Scheme will be interpreted as a reference to the each Option Scheme.
- 4.8 iSOFT is, after having taken advice from its legal counsel, solely responsible for determining whether it has one or more classes of Optionholders and the Bidder Group will have no grounds for objecting (and will not object) to any determination of the classes of Optionholders as determined by iSOFT.

Deed Poll and Option Scheme Deed Poll

- 4.9 Bidder covenants in favour of iSOFT (in its own right and separately as trustee for each of the iSOFT Shareholders and Optionholders) to execute and deliver prior to the First Court Date and (subject to its terms) perform the Deed Poll and Option Scheme Deed Poll.

- (a) subject to paragraph (b), iSOFT Shareholder Approval is not obtained at the Scheme Meeting;
 - (b) if clause 3.5 requires iSOFT to apply for the order referred to in that clause, the order is refused with the result that the Scheme is not approved by iSOFT Shareholders; or
 - (c) the Scheme does not become Effective by the Sunset Date.

Termination by iSOFT or Bidder

- 8.3 Either of Bidder or iSOFT may terminate this Agreement by giving the other party written notice:
- (a) if the Court refuses to grant an order convening the Scheme Meeting or approving the Scheme and either:
 - (i) Bidder and iSOFT fail to agree on conducting an appeal under clause 6.4 within 5 Business Days of the Court's decision and iSOFT is not otherwise obliged to conduct an appeal in accordance with clause 6.4; or
 - (ii) Bidder and iSOFT agree to conduct an appeal under clause 6.4 within 5 Business Days of the Court's decision but the appeal is unsuccessful; or
 - (b) if the Scheme is not approved by the Court under section 411(4)(b) of the Corporations Act on or before the Sunset Date; or
 - (c) in accordance with clause 3.14.

- 8.4 This Agreement may not be terminated by a party under clauses 8.1 or 8.3 if the relevant event described in clauses 8.1 or 8.3 is a result of (either alone or together with other events or circumstances) an act or omission by that party or any of its Subsidiaries that results in a breach of this Agreement.

Termination following Superior Proposal

- 8.5 Without prejudice to any other rights of termination under this Agreement, either Bidder or iSOFT may terminate this Agreement by giving the other party written notice at any time before 8.00 am on the Second Court Date if the iSOFT Board determines and publicly announces that a Competing Proposal is a Superior Proposal.

Effect of termination

- 8.6 If either iSOFT or Bidder terminates this Agreement under clauses 3.14 or 8, this Agreement and the parties' obligations under it cease, other than obligations under this clause and clauses 7.1, 7.2, 7.3, 7.4, 7.5, 7.6, 7.7, 7.8, 7.9, 9, 10, 11, 15, 17 and 18 which will survive termination.
- 8.7 Termination of this Agreement under clauses 3 or 8 does not affect any accrued rights of a party in respect of a breach of this Agreement prior to termination.

9 Break Fee

Background

- 9.1 iSOFT and Bidder acknowledge that, if they enter into this Agreement and the Scheme is subsequently not implemented, Bidder will incur significant costs including those described in clause 9.3.
- 9.2 In the circumstances referred to in clause 9.1, Bidder has requested that provision be made for the payments outlined in clause 9.5, without which Bidder would not have entered into this Agreement.

Costs incurred by Bidder

- 9.3 The fee payable under clause 9.5 has been calculated to reimburse Bidder for the following:
- (a) fees for legal and financial advice in planning and implementing the Scheme;
 - (b) reasonable opportunity costs incurred in engaging in the Scheme or in not engaging in other alternative acquisitions or strategic initiatives;
 - (c) costs of management and directors' time in planning and implementing the Scheme;
 - (d) out of pocket expenses incurred in planning and implementing the Scheme; and
 - (e) costs associated with the financing arrangements in respect of the Scheme,
- and in each case, incurred by the Bidder directly or indirectly as a result of having entered into this Agreement and pursuing the Scheme.
- 9.4 The parties acknowledge that
- (a) the amount of fees, costs and losses referred to in clause 9.3 is inherently unascertainable and that, even after termination of this Agreement, the costs will not be able to be accurately ascertained; and
 - (b) the amount payable under clause 9.5 is a genuine and reasonable pre-estimate of those fees, costs and losses.

Payment by iSOFT to Bidder

- 9.5 Subject to clauses 9.6, 9.7, and 9.9, iSOFT agrees to pay to the Bidder \$1,820,012 (exclusive of GST) (**Break Fee**) if:
- (a) the Bidder validly terminates this Agreement pursuant to clause 8.1 (Material Breach);
 - (b) either the Bidder or iSOFT terminates this Agreement pursuant to clause 8.5 (Superior Proposal); or

- (c) the iSOFT Board fails to make the Recommendation in accordance with clause 6.5 or a Majority of the iSOFT Board changes their Recommendation other than in circumstances where the Independent Expert has opined that the Scheme or Option Scheme is not in the best interests of iSOFT Shareholders or Optionholders (as applicable).
- 9.6 No Break Fee is payable if:
- (a) the Scheme becomes Effective; or
 - (b) iSOFT validly terminates this Agreement in accordance with clause 3.14 or 8.1.
- 9.7 The Break Fee is only payable once and the maximum amount payable by iSOFT under clause 9.5 is \$1,820,012 (exclusive of GST).

Payment of Break Fee

- 9.8 iSOFT must pay the Bidder the Break Fee within five Business Days of receipt by iSOFT of a demand for payment from Bidder made after the occurrence of the event referred to in clause 9.5.

Compliance with law

- 9.9 If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a Court that all or any part of the Break Fee required to be paid under clause 9.5 (*iSOFT Impugned Amount*):
- (a) is unlawful;
 - (b) involves a breach of directors' duties; or
 - (c) constitutes unacceptable circumstances or breaches an order of the Takeovers Panel,
- then:
- (d) the requirement to pay the Break Fee does not apply to the extent of the iSOFT Impugned Amount; and
 - (e) if Bidder has received the iSOFT Impugned Amount, it must refund it within five Business Days of the final determination being made,
- and iSOFT must not seek any such determination.

Exclusive remedy

- 9.10 Despite any other provision of this Agreement, where the Break Fee becomes payable to Bidder under this Agreement (or would be payable if a demand was made), Bidder cannot make any Claim against iSOFT or any other iSOFT Indemnified Party:
- (a) unless it has first demanded (but has not received from iSOFT) payment of the Break Fee; or
 - (b) following payment of Break Fee by iSOFT.

Regulatory intervention

- 9.11 If, following the exhaustion of all reasonable avenues of appeal, any regulatory body (including ASIC or the Takeovers Panel) or a Court finally determines or requires any

modification (including requiring such a modification as a condition of consenting to or approving the Scheme or as a condition of not opposing the Scheme) to the Break Fee, including as to the amount or circumstances in which it is to be paid, then:

- (a) the parties will accept this determination and amend this Agreement to that extent; and
- (b) it will not result in a breach of this Agreement or termination of the transactions contemplated by it.

10 Public announcements

Announcement of the Scheme

10.1 Immediately after the execution of this Agreement, the parties must issue public announcements in a form previously agreed to in writing between them.

Public announcements

10.2 Except as permitted under clause 10.1, neither party may make a public announcement about this Agreement (including any termination of this Agreement), the Scheme Booklet, the Scheme or the Option Scheme unless:

- (a) the other party has approved the form of the announcement (acting reasonably); or
- (b) applicable law or the Listing Rules requires an announcement to be made, subject to clause 10.5.

10.3 Neither party may make a submission for any Regulatory Consents under this Agreement before reasonably consulting with the other party.

10.4 The parties must use all reasonable endeavours to participate constructively and promptly with respect to the approvals and consultation contemplated by clauses 10.2, 10.3 and 10.5.

Required disclosure

10.5 If applicable law or the Listing Rules require a party to make an announcement or disclosure about the subject of this Agreement (including termination of this Agreement), the Scheme Booklet, the Scheme or the Option Scheme, that party may only do so after it has given the other party prior notice (of at least one Business Day if possible, subject to complying with all applicable laws and duties, and the Listing Rules) and consulted with the other party about the form and content of the announcement or disclosure.

Statements on termination

10.6 Without limiting clause 10.2, the parties must act in good faith and use all reasonable endeavours to issue an agreed statement or announcement in respect of any termination of this Agreement.

11 Confidentiality

Confidentiality Agreement

11.1 The parties agree and acknowledge that:

- (a) the Bidder Parent and iSOFT are bound by the terms of the Confidentiality Agreement;
- (b) the Bidder will be bound by all of the terms, and subject to all of the conditions, of the Confidentiality Agreement as if it were a Receiving Party (as defined in the Confidentiality Agreement),

except that the terms of this Agreement will prevail over the Confidentiality Agreement to the extent of any inconsistency.

Privacy

- 11.2 Each party acknowledges that the other has obligations under the Privacy Act 1988 (Cth) in relation to personal information (defined as any information identifying or potentially identifying an individual) in its possession and form part of the information provided by or on behalf of that party to the other party. If a party receives information containing personal information from or on behalf of the other party, the party undertakes to comply with the obligations under the Privacy Act 1988 (Cth) to the same extent and degree as the party from whom it has obtained the information is bound to observe them.

12 Conduct of Court proceedings

- 12.1 Nothing in this Agreement gives any party any right or power to make undertakings to the Court for or on behalf of another party without that party's written consent.
- 12.2 Each party agrees to give all undertakings to the Court in all Court proceedings which it is reasonably required to give (on an individual basis) to obtain Court approval and confirmation of the Scheme and Option Scheme as contemplated by this Agreement.

13 Exclusivity

No shop

- 13.1 During the Exclusivity Period, iSOFT must not, and must ensure that its Representatives do not, except with the prior written consent of the Bidder, solicit, invite or encourage any Competing Proposal or initiate discussions with any third party with a view to obtaining any expressions of interest, offer or proposal from any person in relation to a Competing Proposal.

No talk and no due diligence

- 13.2 Subject to clause 13.3, during the Exclusivity Period, iSOFT must not and must ensure that its Representatives do not, except with the prior written consent of the Bidder:
 - (a) participate in any negotiations in relation to a Competing Proposal or which may reasonably be expected to lead to a Competing Proposal;
 - (b) enter into any relevant agreement in connection with a Competing Proposal; or
 - (c) provide any information to a third party for the purposes of enabling that party to make a Competing Proposal.

Exceptions

- 13.3 Clause 13.2 does not apply if the iSOFT Board, acting in good faith, determines that:

- (a) the Competing Proposal is a Superior Proposal or the steps which the iSOFT Board proposes to take may reasonably be expected to lead to a Competing Proposal which is a Superior Proposal; and
- (b) having taken advice from its legal advisers, not taking an action (that would otherwise contravene clause 13.2) would be likely to constitute a breach of its fiduciary or statutory duties.

iSOFT warranty and undertakings

- 13.4 iSOFT warrants as at the date of this Agreement that it has, and its Representatives have, ceased any existing discussions or negotiations with all third parties which may reasonably be expected to lead to a Competing Proposal.
- 13.5 During the Exclusivity Period, without limiting clause 13.3, iSOFT must not provide any non-public information to a person in connection with or to directly or indirectly encourage a Competing Proposal unless:
- (a) that person has entered into a confidentiality agreement with iSOFT and, to the extent that person is not already a party to a confidentiality agreement with iSOFT, iSOFT has used reasonable endeavours to negotiate a confidentiality agreement that is on no less onerous terms than the Confidentiality Agreement; and
 - (b) any non-public information provided to that person is also provided to Bidder (unless the information has already been provided to Bidder, the Bidder or its Representative).
- 13.6 During the Exclusivity Period, iSOFT must:
- (a) as soon as reasonably practicable, ensure that the electronic data room access granted to any third party prior to the date of this Agreement in connection with a Competing Proposal is withdrawn; and
 - (b) not grant any waivers or agree to any amendments under any confidentiality agreements entered into in connection with a Competing Proposal (before the date of this Agreement).

Notice of Competing Proposal

- 13.7
- (a) During the Exclusivity Period, iSOFT must:
 - (i) promptly notify the Bidder if it or any of its Representatives receive any Competing Proposal or written proposal which may reasonably be expected to lead to a Competing Proposal (including any variation of a Competing Proposal made prior to the date of this Agreement);
 - (ii) as soon as reasonably practicable provide written notice of the identity of the party or parties involved in the written proposal and the material terms of the proposal (each a **Competing Proposal Notice**); and
 - (iii) provide the Bidder with regular updates on the status of any such written proposal,other than to the extent prohibited under a confidentiality agreement entered into with the relevant third party (in which case iSOFT must notify Bidder that there has been an approach, but not the identity of the party that has made that approach).

- (b) If iSOFT gives Bidder a Competing Proposal Notice, iSOFT agrees that it will not, until the expiration of three Business Days following the receipt of the Competing Proposal Notice by Bidder:
 - (i) enter into any legally binding agreement with respect to the Competing Proposal; or
 - (ii) publicly recommend the Competing Proposal.
- (c) If iSOFT gives Bidder a Competing Proposal Notice, Bidder agrees that the notice will be Confidential Information of iSOFT (as defined in the Confidentiality Agreement).
- (d) If iSOFT gives a Competing Proposal Notice, Bidder will have the right, but not the obligation, at any time until the expiration of three Business Days following receipt of the notice to:
 - (i) offer to amend the terms of the Scheme; or
 - (ii) to propose any other transaction, which must be submitted to iSOFT in writing (each a **Bidder Counterproposal**), and if Bidder does so, the iSOFT Board must review the Bidder Counterproposal in good faith and in what the iSOFT Board considers is required to comply with its fiduciary and statutory duties, to determine whether the Bidder Counterproposal is more favourable to iSOFT Shareholders than the Competing Proposal.
- (e) If the iSOFT Board determines, in good faith and in order to satisfy what the iSOFT Board considers to be its fiduciary and statutory duties, that the Bidder Counterproposal is more favourable to iSOFT Shareholders than the Competing Proposal, then:
 - (i) if the Bidder Counterproposal contemplates an amendment to the Scheme, the parties must enter into a deed amending this Agreement in relation to the Scheme and reflecting the Bidder Counterproposal;
 - (ii) if the Bidder Counterproposal contemplates any other transaction, iSOFT must make an announcement as soon as reasonably practicable recommending the Bidder Counterproposal, in the absence of a more favourable proposal, and the parties must pursue implementation of the Bidder Counterproposal in good faith; and
 - (iii) iSOFT must not take any of the steps referred to in clause 13.7(b).

13.8 Notwithstanding anything in clause 13.7, iSOFT will not be required to comply with any of the provisions in clause 13.7 if the iSOFT Board acting in good faith and in order to satisfy what it considers to be its fiduciary or statutory duties (having taken advice from its legal advisers) determines that complying with such obligations would be likely to constitute a breach of their fiduciary or statutory duties.

Normal provision of information

13.9 Nothing in this clause 13 prevents the iSOFT Group from:

- (a) providing information to its Representatives, the Lenders, rating agencies or any Government Agency;

- (b) providing information to customers, joint venturers and suppliers in the ordinary course of their businesses; or
- (c) making presentations to brokers, portfolio investors or analysts in the ordinary course of their businesses.

14 Other securities

Warrants and Convertible Notes

- 14.1 iSOFT must procure that, as soon as reasonably practicable after the date of this Agreement but in any event prior to the Second Court Date, that:
 - (a) it executes a deed poll to amend the terms of the Convertible Note Deed Poll (with the approval and consent of Oceania) to provide for all of the Convertible Notes to be repaid by Bidder on behalf of iSOFT on the Implementation Date; and
 - (b) it executes a deed poll to amend the terms of the Warrant Deed Poll (with the approval of Oceania), to provide for the Warrants to be extinguished on the Second Court Date and, subject to iSOFT obtaining the LR 6.23 Waiver or the Warrant Cancellation Approval, Bidder paying (on behalf of iSOFT) to Oceania the Warrant Consideration for each Warrant.
- 14.2 Bidder agrees that it will on Implementation:
 - (a) pay the Convertible Note Redemption Amount to Oceania in full and final satisfaction of iSOFT's obligation to repay the amounts outstanding in respect of the Convertible Notes in accordance with the Convertible Note Deed Poll; and
 - (b) subject to iSOFT obtaining the Listing 6.23 Waiver or Warrant Cancellation Approval, pay the Aggregate Warrant Consideration to Oceania on behalf of iSOFT in accordance with the terms of the Warrant Deed Poll.
- 14.3 Bidder acknowledges and agrees that nothing in this Agreement limits or restricts in any way Oceania's exercise or enjoyment of its rights in relation to the voting, control and disposal of its iSOFT Shares.

Performance Rights

- 14.4 Subject to the Scheme becoming Effective, iSOFT must do all things reasonably necessary to facilitate the vesting and the subsequent automatic exercise of the Performance Rights in accordance with the EIP Rules after the Effective Date and prior to the Scheme Record Date, including by waiving all vesting conditions applicable to the Performance Rights pursuant to Rule 6.2 of the EIP Rules and then issuing to each holder of a Performance Right an iSOFT Share for each Performance Right upon exercise of the Performance Right.

15 Costs and stamp duty

Costs

- 15.1 Subject to clause 15.2, each party must bear its own costs and expenses (including professional fees and stamp duty) incurred by it in connection with the negotiation, preparation and execution of this Agreement and the implementation or attempted implementation of the Scheme and the Option Scheme.

Stamp duty

- 15.2 Bidder must pay all stamp duty and any related fines or penalties in respect of this Agreement, the Deed Poll, the Option Scheme Deed Poll and the acquisition of the Scheme Shares and Scheme Options in accordance with the Scheme and the Option Scheme and indemnify iSOFT (on iSOFT's own behalf and separately as trustee or nominee for the other iSOFT Indemnified Parties, iSOFT Shareholders and Optionholders) against any liability arising from failure to comply with this clause 15.2.

16 Guarantee and indemnity

Consideration

- 16.1 Bidder Parent agrees it has entered into this Agreement for valuable consideration including iSOFT, at the request of Bidder Parent, entering into this Agreement.

Guarantee

- 16.2 The Bidder Parent unconditionally and irrevocably guarantees to iSOFT the performance by Bidder of the Guaranteed Obligations.

Right to demand

- 16.3 If Bidder defaults in the performance of the Guaranteed Obligations, Bidder Parent must perform the Guaranteed Obligations immediately on demand by iSOFT.

Principal debtor

- 16.4 If the Guaranteed Obligations are not fully enforceable against or not fully recoverable from Bidder as debtor or from Bidder Parent as surety for any reason, including:
- (a) any legal limitation, disability, or lack of capacity, power or authority affecting Bidder or Bidder Parent or an improper exercise of power or authority by any person; or
 - (b) any provision of this Agreement or any transaction relating to the Guaranteed Obligations being or becoming void, voidable, unenforceable or time-barred,
- the Guaranteed Obligations:
- (c) are recoverable from, or enforceable against, Bidder Parent as though it had been incurred and owing by Bidder Parent and Bidder Parent was the sole and principal debtor in respect of the Guaranteed Obligations; and
 - (d) must be paid or performed by Bidder Parent on demand by iSOFT.

Indemnity

- 16.5 Bidder Parent unconditionally and irrevocably indemnifies iSOFT against all Claims arising directly or indirectly from, or which iSOFT suffers or incurs in connection with the failure of Bidder Parent or Bidder to comply with or perform the Guaranteed Obligations.
- (a)
- 16.6 The indemnity in clause 16.5 remains in effect even if the guarantee under clause 16.2 is not or ceases to be valid or enforceable against Bidder Parent for any reason, provided that the indemnity in clause 16.5 will terminate upon the performance of the Guaranteed Obligations.

16.7 Bidder Parent must immediately on demand by iSOFT pay to iSOFT any amount certified by iSOFT as payable under clause 16.5.

Continuing guarantee and indemnity

16.8 The guarantees and indemnities in this clause 16:

- (a) are continuing obligations;
- (b) survive termination of this Agreement; and
- (c) continue in full force and effect until all of the Guaranteed Obligations have been irrevocably performed in full, regardless of any intermediate payment or discharge in whole or in part.

16.9 It is not necessary for iSOFT to incur expense or make payment before enforcing a right of indemnity under this clause 16.

Obligations of Bidder Parent unaffected

16.10 Bidder Parent's obligations under this Agreement are not released or discharged by:

- (a) Bidder or Bidder Parent becoming insolvent;
- (b) any time, waiver, consent, indulgence or other concession granted to Bidder;
- (c) a release, forbearance to sue, discharge, relinquishment, compounding or compromising of the obligations of any party to this Agreement or of iSOFT or in respect of the Guaranteed Obligations;
- (d) any change in the constitution of Bidder or Bidder Parent or their absorption in, amalgamation with or merger into, or the acquisition of all or part of their undertaking by, any other person; or
- (e) an amendment of, supplement to or replacement of the obligations of any party to this Agreement, including any amendment, supplement or replacement under which Bidder's obligations are increased, Bidder incurs additional obligations or the time and method of payment by Bidder is varied.

18 General

Entire agreement

- 18.1 To the extent permitted by law, in relation to the subject matter of this Agreement, this Agreement and the documents contemplated by it:
- (a) embody the entire understanding of the parties and constitutes the entire terms agreed on between the parties; and
 - (b) supersede any prior agreements (whether or not in writing) between the parties.

Further assurances

- 18.2 Each party will promptly do everything necessary, including executing and delivering all further documents required by law or reasonably requested by the other party, to implement this Agreement, the Scheme and the Option Scheme.

No merger

- 18.3 The rights and obligations of the parties do not merge on completion of any transaction contemplated under this Agreement. They survive the execution and delivery of any assignment or other document entered into to implement any transaction contemplated under this Agreement.

Assignment

- 18.4 A party cannot assign, novate or otherwise transfer or deal in any other way with any of its rights or obligations under this Agreement without the other party's prior written consent.

Invalid or unenforceable provisions

- 18.5 If a provision of this Agreement is invalid or unenforceable in a jurisdiction:
- (a) it is to be read down or severed in that jurisdiction to the extent of the invalidity or unenforceability; and
 - (b) that fact does not affect the validity or enforceability of that provision in another jurisdiction or the remaining provisions.

Waiver and exercise of rights

- 18.6 A waiver by a party of a provision of, or of a right under, this Agreement is only binding on the party granting the waiver if it is given in writing and is signed by the party or an authorised officer of the party granting the waiver.
- 18.7 A waiver is effective only in the specific instance and for the specific purpose for which it is given.
- 18.8 A single or partial exercise of a right by a party does not preclude another exercise of that right or the exercise of another right.

18.9 The failure to exercise, or the delay in exercising, a right does not operate as a waiver or prevent the party so failing or exercising its right from later doing so.

Amendment

18.10 Except as expressly provided to the contrary in this Agreement, this Agreement may only be amended by a document signed by or on behalf of each party.

Counterparts

18.11 This Agreement may be signed in counterparts and all counterparts taken together constitute one document.

Rights cumulative

18.12 Except as expressly provided to the contrary in this Agreement or as permitted by law, the rights, powers and remedies provided in this Agreement are cumulative and do not exclude any other rights, powers or remedies provided by law independently of this Agreement.

Consents or approvals

18.13 A party may give its approval or consent conditionally or unconditionally, or withhold its approval or consent, in its absolute discretion unless this Agreement expressly provides otherwise.

Severability

18.14 If a provision of this Agreement is invalid or unenforceable in a jurisdiction:

- (a) it is to be read down or severed in that jurisdiction to the extent of the invalidity or unenforceability; and
- (b) that fact does not affect the validity or enforceability of that provision in another jurisdiction, or the remaining provisions of this Agreement.

Enforceability

18.15 For the purpose of this Agreement:

- (a) Bidder is taken to be acting as agent and trustee on behalf of and for the benefit of all Bidder Indemnified Parties; and
- (b) iSOFT is taken to be acting as agent and trustee on behalf of and for the benefit of all iSOFT Indemnified Parties.

GST

18.16 Unless expressly included, the consideration for any supply under or in connection with this Agreement does not include GST.

18.17 To the extent that any supply made by a party to another party (**Recipient**) under or in connection with this Agreement is a taxable supply and a tax invoice has been provided to the Recipient, the Recipient must pay, in addition to the consideration to be provided under this Agreement for that supply (unless it expressly includes GST) an amount equal to the amount of that consideration (or its GST exclusive market value) multiplied by the rate at which GST is imposed in respect of the supply.

18.18 The amount of GST payable in accordance with clause 18.17 will be paid at the same time and in the same manner as the consideration otherwise payable for the supply is provided.

Governing law and jurisdiction

18.19 This Agreement is governed by the laws of New South Wales, Australia.

18.20 Each party irrevocably and unconditionally:

- (a) submits to the non-exclusive jurisdiction of the courts of New South Wales, Australia; and
- (b) waives, without limitation, any claim or objection based on absence of jurisdiction or inconvenient forum.
