FOR IMMEDIATE RELEASE

DESERT MOUNTAIN ENERGY SECURES LAND FOR FUTURE FACILITIES

Vancouver, British Columbia – DESERT MOUNTAIN ENERGY CORP. (the “Company”) (TSX.V: DME, U.S. OTC: DMEHF, Frankfurt: QM01) From the President of the Company.

The Company is pleased to announce that it has acquired an additional 40 acres of land for future facilities in Navajo County, Arizona.

Desert Mountain Energy Corp. has made progress on the Gunnar Dome prospect and has set and cemented the production casing. The completion rig is scheduled for the end of August and the Company will announce the results once testing and sampling are complete.

DME was also pleased to speak at the Asia Pacific Drilling Technology Conference in Bangkok, Thailand. Desert Mountain Energy CEO and Executive Chairman, Robert Rohlfiing, was the only speaker invited from an independent North American resource company.

ABOUT DESERT MOUNTAIN ENERGY

Desert Mountain Energy Corp. is a publicly traded resource company primarily focused on exploration, development and production of helium, hydrogen and noble gases.

We seek safe harbor

“Robert Rohlfiing”
