

Wilmington - DE, June 19, 2013 /AB-NewsWire/ - Canyon Gold Corp. (OTC-QB/BB: CGCC) ("Canyon Gold" or the "Company") is pleased to announce that it has launched its new website, www.canyongoldcorporation.com.

The new website was developed by Canyon Gold's branding company, Worldwide PR News, and features a re-designed look, allows for easy navigation and is designed to give visitors a better understanding of the Company's gold projects and initiatives in The Spruce Ridge – Long Canyon Gold Trend, Nevada project.

The website provides a comprehensive overview of the unique gold endowment of the Spruce Ridge area, the history of gold mining and exploration in the Long Canyon Trend, technical information relevant to the Company's projects and development strategy, summary of Canyon Gold's extensive gold exploration experience specific to the area and a discussion of the distinct advantages offered by the investment in gold properties located in the safe low cost jurisdiction offered by Nevada State. Visitors to the website can also view a number of new photographs of the project area, presentations, news releases, financial filings and investor information.

"The website launch is the next step in our development as a public entity," said Delbert Blewett President of Canyon Gold Corp. "The site communicates the story of gold in the Spruce Ridge, the untapped potential and our vision of the unrivaled opportunity for Canyon Gold as a major presence in one of the world's greatest gold districts."

Narcis Onic, Worldwide PR News COO said: "This new website and the complex rebranding of Canyon Gold currently under development demonstrates, once again, our clients commitment to offering investors an up-close look at where they are, where they are heading, and the great potential of their gold claims... It will serve as a communications hub for the latest breaking news."

At the same time with the new domain name: www.canyongoldcorporation.com the company decided to keep active the old domain name www.canyongoldexploration.com. The old domain name is forwarded to the new website, giving everybody the option to access this new and improved mean of information about Canyon Gold Corp.

About Canyon Gold Resource Corp

Canyon Gold Corp is a US junior exploration company. Canyon Gold Corp owns and/or controls the Spruce Ridge claims that comprise of more than 6,600 hectares of Gold concessions in the Carling Gold area of north-east Nevada. The Project resembles and is in the vicinity of West Pequop Mountains Long Canyon, currently being explored and developed by the Fortune 500 Company Newmont. Newmont acquired the same for 2.3 billion dollars from Fronteer Gold in 2011.

Cautionary Note to U.S. Investors

The United States Securities and Exchange Commission ("SEC") limits disclosure for U.S. reporting purposes to mineral deposits that a company can economically and legally extract or produce. Our property currently does not contain any known proven or probable ore reserves under SEC reporting standards. Our reference above to the various formations and mineralization believed to exist in our property as compared to historical results and estimates from other property in the district is illustrative only for comparative purposes and is no indication that similar results will be obtained with respect to our property. U.S. investors are urged to consider closely the disclosure in our latest reports filed with the SEC. You can review and obtain copies of these filings at <http://www.sec.gov/edgar.shtml>.

Safe Harbor Statement

This release contains forward-looking statements that are based upon current expectations or beliefs, as well as a number of assumptions about future events. Although we believe that the expectations reflected in the forward-looking statements and the assumptions upon which they are based are reasonable, we can give no assurance that such expectations and assumptions will prove to have been correct. Forward-looking statements are generally identifiable by the use of words like "may," "will," "should," "could," "expect," "anticipate," "estimate," "believe," "intend," or "project" or the negative of these words or other variations on these words or comparable terminology. The reader is cautioned not to put undue reliance on these forward-looking statements, as these statements are subject to numerous factors and uncertainties, including but not limited to: adverse economic conditions, competition, adverse federal, state and local government regulation, inadequate capital, inability to carry out research, development and commercialization plans, loss or retirement of key executives and other specific risks. To the extent that statements in this press release are not strictly historical, including statements as to revenue projections, business strategy, outlook, objectives, future milestones, plans, intentions, goals, future financial conditions, events conditioned on stockholder or other approval, or otherwise as to future events, such statements are forward-looking, and are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. The forward-looking statements contained in this release are subject to certain risks and uncertainties that could cause actual results to differ materially from the statements made. Readers are advised to review our filings with the Securities and Exchange Commission that can be accessed over the Internet at the SEC's website located at <http://www.sec.gov>.
