Jane has also headlined world-class events for World Cup Racing, from Dubai through to London, and Australian Fashion Weeks. Entertainment will also include a fashion show with models kindly supplied by Bella Management, accessories from Oroton and jewellery from Paspaley.

All proceeds from the event will go to Transplant Australia. Transplant Australia is a national charity representing transplant recipients, donor families, living donors and all those touched by organ and tissue donation and transplantation. Transplant Australia saves lives.

This prestigious annual event is voted on by over 50 prominent financial services organisations, where equities analysts from both fund managers and brokerage houses score the S&P/ASX200 stocks they cover across 25 categories. The scores are then used to create league tables, with the idea being to provide a feedback mechanism between the investment community and the S&P/ASX200 to enhance market efficiency.

A note about Transplant Australia

Transplant Australia saves lives

Transplant Australia exists to enrich and celebrate life. Our vision is for Australia to lead the world in organ and tissue donation and transplantation – saving lives, improving quality of life and providing much needed care and support.

Our members share a special bond, having all been touched in some way by transplantation. They include those awaiting transplantation, donor families, living donors, transplant recipients, and the doctors, nurses and co-ordinators working in the organ and tissue donation and transplantation sector. While they have their own unique story to tell, they are part of a team that serves to celebrate and cherish the greatest gift of all – life itself.
