**About Lake Resources NL (ASX:LKE OTC:LLKKF )**

Lake Resources NL (ASX:LKE, OTC: LLKKF) is a responsible lithium developer utilising state-of-the-art ion exchange extraction technology for production of sustainable, high purity lithium from its flagship Kachi Project in Catamarca Province within the Lithium Triangle in Argentina. Lake also has three additional early-stage projects in this region.

This ion exchange extraction technology delivers a solution for two rising demands – high purity battery materials to avoid performance issues, and more sustainable, responsibly sourced materials with low carbon footprint and significant ESG benefits.

**About Sidoti Events, LLC (“Events”) and Sidoti & Company, LLC (“Sidoti”)**

In 2023, Sidoti & Company, LLC , [Sidoti & Company, LLC \(www.sidoti.com\)](http://www.sidoti.com) formed a sister company, Sidoti Events, LLC in order to focus exclusively on its rapidly growing conference business and to more directly serve the needs of presenters and attendees. The relationship allows Events to draw on the 25 years of experience Sidoti has as a premier provider of independent securities research focused specifically on small and microcap companies and the institutions that invest in their securities, with most of its coverage in the \$200 million-\$5 billion market cap range. Sidoti’s coverage universe comprises approximately 160 equities, of which 40 percent participate in the firm’s rapidly growing Company Sponsored Research (“CSR”) program. Events is a leading provider of corporate access through the eight investor conferences it hosts each year. By virtue of its direct ties to Sidoti, Events benefits from Sidoti’s small- and microcap-focused nationwide sales force, which has connections with

approximately 1,500 institutional relationships in North America. This enables Events to provide multiple forums for meaningful interaction for small and microcap issuers and investors specifically interested in companies in the sector.
