<sup>1</sup> Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

<sup>2</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

<sup>3</sup> Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

## CORPORATE GOVERNANCE STATEMENT

FOR THE YEAR ENDED 30 SEPTEMBER 2018

### Approach to Corporate Governance

Thundelarra Limited ACN 085 782 994 (**Company**) has established a corporate governance framework, the key features of which are set out in this statement. In establishing its corporate governance framework, the Company has referred to the recommendations (each a **recommendation**) set out in the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations 3<sup>rd</sup> edition. The Company has followed each recommendation where the Board has considered the recommendation to be an appropriate benchmark for its corporate governance practices. Where the Company's corporate governance practices follow a recommendation, the Board has made appropriate statements reporting on the adoption of the recommendation. In compliance with the "if not, why not" reporting regime, where, after due consideration, the Company's corporate governance practices do not follow a recommendation, the Board has explained its reasons for not following the recommendation and disclosed what, if any, alternative practices the Company has adopted instead of those in the recommendation.

### PRINCIPLE 1 – LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

#### Recommendation 1.1

The Company has established the respective roles and responsibilities of its Board and management, and those matters expressly reserved to the Board and those delegated to management and has documented this in its *Board Charter*, which is disclosed on the Company's website

#### Recommendation 1.2

The Company undertakes appropriate checks before appointing a person, or putting forward to shareholders a candidate for election as a director and provides shareholders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.

The checks which are undertaken, and the information provided to shareholders are set out in the Company's *Policy and Procedure for the Selection and (Re) Appointment of Directors* which is disclosed on the Company website.

The Company provided shareholders with all material information in relation to the re-election of Malcolm Randall and Rick Crabb as directors at its Annual General Meeting held on 23 February 2018.

## CORPORATE GOVERNANCE STATEMENT

### FOR THE YEAR ENDED 30 SEPTEMBER 2018

#### Recommendation 1.3

The Company has a written agreement with each director and senior executive setting out the terms of their appointment. The material terms of any employment, service or consultancy agreement the Company, or any of its child entities, has entered into with its Chief Executive Officer, any of its directors, and any other person or entity who is related party of the Chief Executive Officer or any of its directors has been disclosed in accordance with ASX Listing Rule 3.16.4 (taking into consideration the exclusions from disclosure outlined in that rule).

#### Recommendation 1.4

The Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board as outlined in the Company's *Board Charter*. The Company's Secretary's role is also outlined in the employment agreement between the Company Secretary and the Company.

#### Recommendation 1.5

The Company has established a *Diversity Policy*, a summary of which is disclosed on the Company's website. However, the Diversity Policy does not include requirements for the Board to establish measurable objectives for achieving gender diversity or for the Board to assess annually both the objectives and progress towards achieving them. Nor has the Board set measurable objectives for achieving gender diversity. The Board considers that the Company has in place policies and arrangements to encourage diversity in employment. Further, due to the Company's current operations, size and small number of employees, the Board considers that it is difficult to set meaningful measurable objectives for achieving gender diversity. The Board will review its position and may develop measurable objectives when the Company's operations increase.

The respective proportions of men and women on the Board, in senior executive positions and across the whole organisation as at the date of this statement are set out in the following table. "Senior executive" for these purposes means those who have the opportunity to materially influence the integrity, strategy and operation of the Company and its financial performance:

	Proportion of women
Whole organisation	2 out of 9 (22%)
Senior executive positions	0 out of 2 (0%)
Board	0 out of 4 (0%)

#### Recommendation 1.6

The Chair is responsible for evaluation of the Board and, when deemed appropriate, Board committees and individual directors in accordance with the process disclosed in the Company's *Process for Performance Evaluations*.

Each of the directors (including the Chair) completes a questionnaire and the Chair discusses the responses to the questionnaire with the Board on a round-table basis. The Chair is reviewed on this basis by the rest of the Board. Where a Board member also performs an executive role (e.g. in the case of the Chief Financial Officer and Company Secretary), the review also addresses the directors' executive role.

During the Reporting Period, an evaluation of the Board, its committees and individual directors took place in accordance with the process disclosed above.

#### Recommendation 1.7

The Chair is responsible for evaluating the performance of the Company's two senior executives, the Chief Executive Officer and the Chief Financial Officer & Company Secretary in accordance with the process disclosed in the Company's *Process for Performance Evaluations*.

The evaluation is conducted at the time of the executive's annual remuneration review, and involves an interview with the Chair to discuss performance against the Chief Executive Officer's contract with the Company. The Chair also evaluates the performance of the Chief Executive Officer on an ongoing basis via informal discussions about performance. The Chief Financial Officer and Company Secretary's performance was reviewed as part of his review as a Board member. Please refer to Recommendation 1.6 above.

## CORPORATE GOVERNANCE STATEMENT

### FOR THE YEAR ENDED 30 SEPTEMBER 2018

During the Reporting Period a performance evaluation of the Chief Executive Officer took place in accordance with the process disclosed above.

#### PRINCIPLE 2 – STRUCTURE THE BOARD TO ADD VALUE

##### Recommendation 2.1

The Board has not established a separate Nomination Committee. Given the current size and composition of the Board, the Board believes that there would be no efficiencies gained by establishing a separate Nomination Committee. Accordingly, the Board performs the role of the Nomination Committee. Although the Board has not established a separate Nomination Committee, it has adopted a *Nomination Committee Charter*, which describes the role, composition, functions and responsibilities of the full Board in its capacity as the Nomination Committee, and is disclosed on the Company's website.

When the Board convenes as the Nomination Committee it carries out those functions which are delegated to it in the Company's Nomination Committee Charter. Separate meetings of the full Board in its capacity as the Nomination Committee are held, and minutes of those meetings are taken. The Board deals with any conflicts of interest that may occur when convening in the capacity of the Nomination Committee by ensuring that the director with conflicting interests is not party to the relevant discussions.

As noted above, the full Board carries out the role of the Nomination Committee. The full Board did not officially convene as a Nomination Committee during the Reporting Period, however nomination-related discussions occurred from time to time during the year as required.

##### Recommendation 2.2

The mix of skills and diversity for which the Board is looking to achieve in membership of the Board is represented by the composition of its current Board. The Board members have a high level of experience and expertise in the resources sector. The Board comprises directors who possess the following skills, qualifications and experience:

- resource industry knowledge;
- extensive corporate and public company experience;
- strategic planning experience;
- technical skills and qualifications;
- experience in management and marketing in the resources sector;
- legal qualifications;
- financial qualifications;
- geological experience; and
- risk management experience.

The Board considers that this mix of skills is appropriate for the Company's current circumstances. As the Company's circumstances change, it will continue to re-assess its composition, as appropriate.

##### Recommendation 2.3

The Board considers the independence of directors having regard to the relationships listed in Box 2.3 of the Principles & Recommendations. During the Reporting Period, the independent directors of the Company were Malcolm Randall (for the entire Reporting Period) and Rick Crabb (appointed on 20 November 2017).

Mr Randall has been a member of the Board for approximately 15 years, having been appointed on 8 September 2003. The Board has considered Mr Randall's independence, and notwithstanding his length of service on the Board, the Board considers that Mr Randall is sufficiently independent because he is not a member of management, he is free of any business or other relationship that could materially interfere with the independent exercise of his judgement and consistently makes decisions that are in the best interests of the Company. Accordingly, the Board considers Mr Randall to be an independent director

The length of service of each director is set out in the table below:

Director	Date of Appointment	Length of service
Philip G Crabb	7 March 2012	6 years 9 months
Frank DeMarte	30 April 2001	17 years 7 months

## CORPORATE GOVERNANCE STATEMENT

### FOR THE YEAR ENDED 30 SEPTEMBER 2018

Malcolm Randall	8 September 2003	15 years 3 months
Rick W Crabb	20 November 2017	1 year 1 month

#### Recommendation 2.4

The Board does not have a majority of directors who are independent. The Board considers that its composition is appropriate for the Company's circumstances and includes an appropriate mix of skills and expertise relevant to the Company. The Company gives consideration to the balance of independence on the Board. With the appointment of Mr Rick Crabb during the Reporting Period, the Board has, since 20 November 2017, comprised an equal number of independent and non-independent Directors, and will continue to review its composition.

#### Recommendation 2.5

During the Reporting Period, the Company did not have an independent Chair. The non-independent Chair of the Board is Philip Crabb. The Board believes that Mr Crabb is the most appropriate person for the position of Chair because of his industry experience and knowledge. Philip Crabb and his associate's substantial shareholding is the only factor that precludes him from being considered independent. The Board believes that Mr Crabb makes decisions that are in the best interests of the Company.

The Chief Executive Officer is Mr Antony Lofthouse who is not a director or Chair of the Board.

#### Recommendation 2.6

The Company has an induction program that it uses to when new directors join the Board and when new senior executives are appointed. The goal of the program is to assist new directors to participate fully and actively in Board decision-making at the earliest opportunity and to assist senior executives to participate fully and actively in management decision-making at the earliest opportunity. The Company's Induction Program is disclosed on the Company's website.

The full Board in its capacity as the Nomination Committee regularly reviews whether the directors as a group have the skills, knowledge and familiarity with the Company and its operating environment required to fulfil their role on the Board and the Board committees effectively using a Board skills matrix. Where any gaps are identified, the Board considers what training or development should be undertaken to fill those gaps. In particular, the Board ensures that any director who does not have specialist accounting skills or knowledge has a sufficient understanding of accounting matters to fulfil his or her responsibilities in relation to the Company's financial statements.

### PRINCIPLE 3 – ACT ETHICALLY AND RESPONSIBLY

#### Recommendation 3.1

The Company has established a Code of Conduct for its directors, senior executives and employees, a summary of which is disclosed on the Company's website.

The Company has also adopted a *Whistleblower Policy* to encourage the reporting of violations (or suspected violations) of the Company's Code of Conduct and provide effective protection from victimisation or dismissal to those reporting by implementing systems for confidentiality and report handling. The Company's *Whistleblower Policy* is disclosed on the Company's website.

### PRINCIPLE 4 – SAFEGUARD INTEGRITY IN CORPORATE REPORTING

#### Recommendation 4.1

The Board has established an Audit Committee. For the period 1 October 2017 to 19 November 2017 the Audit Committee was not structured in compliance with Recommendation 4.1 as it comprised only two members. The Board was unable to establish an Audit Committee that met the compositional requirements of Recommendation 4.1. However, the Board considered it appropriate that the Audit Committee comprised the Company's two non-executive directors, one of whom is independent and the committee was chaired by an independent director who is not also Chair of the Board.

However, during the Reporting Period, Rick Crabb was appointed as an additional member to the Audit Committee, which is now structured in compliance with Recommendation 4.1. The members of the Audit Committee are the

Company's three non-executive directors, Malcolm Randall (Chair), Philip Crabb and Rick Crabb. All members of the Audit Committee consider themselves to be financially literate and have industry knowledge.

The Company has also established a *Procedure for the Selection, Appointment and Rotation of its External Auditor*. The Board is responsible for the initial appointment of the external auditor and the appointment of a new external auditor when any vacancy arises. Candidates for the position of external auditor must demonstrate complete independence from the Company through the engagement period. The Board may otherwise select an external auditor based on criteria relevant to the Company's business and circumstances. The performance of the external auditor is reviewed on an annual basis by the Board.

Details of director attendance at Audit Committee meetings during the Reporting Period are set out in a table in the Directors' Report on page 49 of the Company's 2018 Annual Report.

The Board has adopted an *Audit Committee Charter* which describes the Audit Committee's role, composition, functions and responsibilities.

#### Recommendation 4.3

Under section 250RA of the Corporations Act, the Company's auditor is required to attend the Company's annual general meeting at which the audit report is considered, and must arrange to be represented by a person who is a suitably qualified member of the audit team that conducted the audit and who is in a position to answer questions about the audit. Each year, the Company writes to the Company's auditor to inform them of the date of the Company's annual general meeting. In accordance with section 250S of the Corporations Act, at the Company's annual general meeting where the Company's auditor or their representative is at the meeting, the Chair allows a reasonable opportunity for the members as a whole at the meeting to ask the auditor (or its representative) questions relevant to the conduct of the audit; the preparation and content of the auditor's report; the accounting policies adopted by the Company in relation to the preparation of the financial statements; and the independence of the auditor in relation to the conduct of the audit. The Board deals with any conflicts of interest that may occur when convening in the capacity of the Risk Committee by ensuring that the director with conflicting interests is not party to the relevant discussions.

The full Board did not officially convene as a Risk Committee during the Reporting Period, however risk-related discussions occurred from time to time during the year as required.

#### Recommendation 7.2

The full Board in its capacity as the Risk Committee reviews the Company's risk management framework annually to satisfy itself that it continues to be sound, to determine whether there have been any changes in the material business risks the Company faces and to ensure that the Company is operating within the risk appetite set by the Board. The Board carried out these reviews during the Reporting Period.

#### Recommendation 7.3

The Company does not have an internal audit function. However, during the Reporting Period, Rick Crabb was appointed as an additional member to the Remuneration Committee, which is now structured in compliance with Recommendation 8.1.
