Chairman's letter

16 December 2021

Dear Shareholder,

Vintage Energy Ltd Share Purchase Plan

I am pleased to invite you to participate in the offer of fully paid ordinary shares (**Shares**) in Vintage Energy Ltd ACN 609 200 580 (**Vintage** or the **Company**) under the share purchase plan established by Vintage (**Offer**).

The Company is seeking to raise, in total, \$2.0 million under the Offer. The Offer is not underwritten but the Directors reserve the right to place any shortfall in the Offer.

Overview of the Offer

The Offer provides you, as an 'Eligible Shareholder' of Vintage (subject to certain conditions), with the opportunity to acquire up to, in aggregate, \$30,000 of Shares in Vintage at an issue price of \$0.085 per Share (**Issue Price**).

The Issue Price represents a 12.5% discount to the volume-weighted average price of Shares traded on ASX over the 5 trading days up to, and including, 8 December 2021, which was the last day of trading of Shares on ASX prior to Vintage's announcement of the Plan. The Issue Price is the same as the issue price applicable to the placement to institutional and sophisticated investors (**Placement**), which was completed by Vintage on Friday, 10 December 2021.

Vintage is seeking to raise, in total, \$2.0 million under the Offer. The directors have reserved the right to accept oversubscriptions under the Plan to ensure all Eligible Shareholders have a reasonable opportunity to participate in the Plan.

Similarly, the Company reserves the right to scale back applications in its sole discretion. Should any scale back be necessary, the Company intends that any scale back arrangements will be made with regard to a number of factors such as the size of your shareholding at the Record Date, the extent to which you have sold or purchased Shares since the Record Date, whether you have multiple registered holdings, and the total applications received from Eligible Shareholders. If applications are scaled back, excess funds will be returned to applicants without interest.

Participation in the Offer is optional and is open to 'Eligible Shareholders' who, as at the Record Date (7:00pm AEDT on 10 December 2021), were registered as holders of ordinary shares in Vintage and whose address on the share register is in Australia.

If an 'Eligible Shareholder' holds shares as a Custodian, the Offer is also being made to the Custodian and subject to certain conditions, the Custodian has the discretion to extend the Offer to the relevant beneficiaries.

Use of Funds

The Offer is being undertaken in conjunction with, and supplemental to, the Placement. In addition to funding the costs of the Offer and Placement, the Proceeds of the Offer (along with the Placement) will be applied to fund:

- Odin-1 completion and tie in to the Vali-Bow/Beckler pipeline;
- Exploration activities including 3D seismic and drilling of two weeks (one gas and one oil) in ATP 2021;
- Drilling of the Cervantes oil prospect in the Perth Basin, WA; and
- Marketing and engineering studies related to the Nangwarry Field in the Otway Basin, SA.

Terms and conditions

1. Establishment

The Plan is established pursuant to *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547* and in accordance with ASIC Regulatory Guide 125 and the ASX Listing Rules. *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547* grants relief from the requirement to prepare a prospectus for the offer of Shares under the Plan, subject to the satisfaction of certain conditions.

2. Participation

The Board may make offers under the Plan to all persons who, as at the Record Date, are Eligible Shareholders.

You are an **Eligible Shareholder** if you were a registered holder of Shares at the Record Date (7.00pm AEDT) on Friday, 10 December 2021) with a registered address in Australia (as shown on Vintage's share register) unless:

- (a) you hold shares on behalf of another person who resides outside Australia in which case you will not be eligible to participate in respect of the Shares of that person; or
- (b) you are, or are acting for the account or benefit of, a U.S. Person as defined in Regulation S under the US Securities Act of 1933, as amended (**U.S. Person**).

Vintage has determined that it is not practical for a holder of Shares with a registered address (as shown on Vintage's share register) in any jurisdiction other than Australia to participate in the Offer. No Offer is made to persons who are not Eligible Shareholders.

Participation in the Offer by Eligible Shareholders is optional and is subject to these Terms and Conditions.

3. Offer

3.1 Nature of offer

The Offer is non-renounceable and Shares may be issued under the Plan only to the Eligible Shareholder to whom they are offered.

The Offer will be made on the same terms and conditions to each Eligible Shareholder. For the avoidance of doubt, all Eligible Shareholders will receive the same offer, irrespective of the number of Shares which they hold on the Record Date.

3.2 Plan participation rules

The following rules apply to participation by Eligible Shareholders.

Single holders

Unless a holder is a Custodian, each Eligible Shareholder is entitled to apply under the Offer to purchase a Parcel of Shares valued at \$2,500, \$5,000, \$10,000, \$15,000, \$20,000, \$25,000 or \$30,000 (irrespective of whether the holder receives multiple offer documents under the Plan, for example,

due to multiple registered sole or joint holdings), subject to the holder certifying that the total of the application price for the following does not exceed \$30,000:

- (a) the Shares the subject of the application;
- (b) any other Shares applied for by the holder under the Plan or any similar arrangement in the 12 months before the application;
- (c) any other Shares which the holder has instructed a Custodian to acquire on their behalf under the Plan; and
- (d) any other Shares issued to a Custodian under an arrangement similar to the Plan in the 12 months before the application as a result of an instruction given by the holder to the Custodian or another Custodian which resulted in the holder holding beneficial interests in the Shares.

By completing and submitting an application for Shares under the Offer, a holder certifies the above.

Joint holders

Unless a holder is a Custodian, if an Eligible Shareholder is recorded with one or more other persons as a joint holder of Shares, that joint holding is considered to be a single registered holding for the purpose of the Plan and certifications, or representations given by a joint holder are taken to have been given by all joint holders. Joint holders are only entitled to participate in the Offer in respect of that single holding. If the same joint holders receive more than one offer document under the Plan due to multiple identical holdings, the joint holders may only apply for one maximum amount of \$30,000 worth of Shares.

Custodians

If an Eligible Shareholder holds Shares as a Custodian, the Offer is made to the Custodian and, subject to a number of conditions, the Custodian has the discretion to extend the Offer to the Beneficiaries. The Custodian may apply for up to a maximum amount of \$30,000 worth of Shares in respect of each Beneficiary, however, Vintage will not allocate Shares under the Offer to the Custodian unless the Custodian certifies the matters set out in paragraph 8 of *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547* in a Custodian Certificate, which it will need to provide to Automic in conjunction with its application.

Custodians wishing to participate in the Offer on behalf of one or more Beneficiaries should contact Automic on 1300 288 664 (within Australia) or +612 9698 5414 (outside Australia) to obtain further information on how to apply and how to obtain a Custodian Certificate. If a Custodian holds Shares jointly on behalf of two or more Beneficiaries, the \$30,000 limit applies jointly in relation to those Beneficiaries as if the Custodian held the Shares on behalf of a single person. The Company reserves the right to reject Applications in accordance with these Terms and Conditions.

The completed Custodian Certificate must be emailed to:

custodialcertificates@automicgroup.com.au

A Custodian must not participate in the Plan if their participation in the Plan would breach *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547*.

3.3 Other terms

The Offer opens at 9.00am (AEDT) on Thursday, 25 November 2021. Under the Offer you may apply for shares up to a maximum of \$30,000 (subject to scale back described further below). The Offer will be made subject to any other terms and conditions that the Board thinks fit.

4. Issue Price

Shares will be issued under the Offer at an issue price of \$0.085 per Share (**Issue Price**).

The Issue Price is the same price as Shares issued under the Placement, the completion of which was announced by Vintage on Monday, 13 December 2021. The Issue Price represents a 12.5% discount to the volume-weighted average price of Shares traded on ASX over the 5 trading days up to, and including, 8 December 2021, which was the last day of trading of Shares on ASX prior to Vintage's announcement of the Offer on 13 December 2021.

Important Note: Shareholders should note that there is a risk that the market price of Shares may change between the date of the Offer and the date on which Shares are issued pursuant to the Plan. This means it is possible that, between the time you make your application and the date on which Shares are issued pursuant to the Plan, you may be able to buy Shares at a lower price than the Issue Price. No cooling-off regime applies in relation to the application for or acquisition of Shares under the Plan.

Vintage recommends that you monitor the Share price and any Vintage announcements, which can be found on Vintage's website at <https://www.vintageenergy.com.au/> or in the financial pages of major Australian metropolitan newspapers, or on ASX's website at www.asx.com.au.

5. Costs of Participation

No brokerage, commissions, stamp duty or other transaction costs will be payable by Eligible Shareholders in respect of the application for, and issue of, Shares under the Plan.

6. Acceptance of Offers

6.1 Payment method

If you wish to participate in the Offer, you need to do one of the following:

Option 1 – Payment by BPAY®

For Eligible Shareholders with an Australian bank account, you may apply for Shares under the Offer by making a BPAY® payment on the internet or by telephone by using the personalised customer reference number shown on your Application Form which is required to identify your holding.

If you are paying for Shares via BPAY® you do not need to return your Application Form but are taken to make the certifications and representations described in these Terms and Conditions and the Application Form. However, Custodians applying for Beneficiaries must still complete and return a Custodian Certificate.

Payment must be received by no later than the Closing Date. You should be aware that your own financial institution may implement earlier cut-off times with regard to electronic payment, and you should therefore take this into consideration when making payment. It is your responsibility to ensure that funds submitted through BPAY® are received by the Closing Date.

Option 2: Payment by Electronic Funds Transfer (EFT)

If you are paying for Shares by EFT, please make payment by EFT as shown on your personalised Application Form. You must quote the unique reference on your personalised Application Form as your payment reference/description when processing your EFT payment. Failure to do so may result in your funds not being allocated to your application and shares subsequently not issued.

If you receive more than one personalised Application Form (i.e., where you have multiple holdings), please only use the reference number specific to the holding on that form. If you inadvertently use the same reference number for more than one of your holdings, you will be deemed to have applied only for Shares on the Application Form to which the reference number applies. If paying by EFT, you do not need to return your Application Form but are taken to have made the declarations on that personalised Application Form.

Payment must be received by no later than 5.00pm (AEDT) on the Closing Date. You should be aware that your own financial institution may implement earlier cut-off times or associated fees with regard to processing a funds transfer, and you should therefore take this into consideration when making payment. It is your responsibility to ensure that funds transferred via EFT are received by the Closing Date.

6.2 Further information

For the avoidance of doubt, applications must be received by the Closing Date. Applications received after that time will not be accepted.

Eligible Shareholders may apply for Shares under the Offer in parcels valued at \$2,500, \$5,000, \$10,000, \$15,000, \$20,000 or \$30,000.

In the absence of a scale back in accordance with section 7 below, Vintage will divide the application money of an Eligible Shareholder by the Issue Price in order to determine the number of Shares for which they have applied (rounded down to nearest whole number of Shares).

If Vintage receives an amount that does not equal one of the amounts specified above, the Company may either:

- (a) reject the application and refund in full the application money (without interest) to the Eligible Shareholder; or
- (b) apply the dollar amount of the payment to the highest designated parcel that is less than the amount of the payment and refund the excess application money (without interest) to the Eligible Shareholder.

If you have more than one holding of Shares and consequently receive more than one Application Form, when applying for Shares in respect of one of those shareholdings you must only use the customer reference number specific to that shareholding as set out in the relevant Application Form. Do not use the same customer reference number for more than one of your shareholdings. This can result in your application monies being applied to your application in respect of only one of your shareholdings (with the result that any application in respect of your remaining shareholdings will not be recognised as valid).

If one or more Application Forms are received under the Plan from an Eligible Shareholder in relation to Shares with a value greater than \$30,000 in any 12 month period, the Shareholder will be issued with the maximum number of Shares permitted by the Plan and the terms of the Offer. Any excess subscription monies will be refunded to the Eligible Shareholder (without interest) as soon as reasonably practicable following allocation.

If an Eligible Shareholder subscribes for an amount which is not exactly divisible by the Issue Price, in calculating the number of Shares to be issued, all fractional entitlements will be rounded down to the nearest whole number of Shares. Vintage will not refund any resulting small excess in subscription monies (i.e., \$5 or less) which will be deemed to form part of the aggregate issue price for the Shares.

Payments must be made in Australian dollars.

Applications and payments may not be withdrawn or revoked.

6.3 Board discretion

Notwithstanding any other provision of these Terms and Conditions, the Board may, at its absolute discretion, accept, reject, correct or amend your application for Shares under the Offer, including, without limitation, if:

- (a) the Board decides to accept oversubscriptions under the Plan to ensure all Eligible Shareholders have a reasonable opportunity to participate in the Plan;
- (b) the Company considers that the application (whether alone or in conjunction with other applications) does not comply, or it is not reasonably satisfied that the application (whether alone or in conjunction with other applications) complies, with the requirements of *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547* or any other requirements in the ASX Listing Rules or the Act;
- (c) the Application Form is incomplete, incorrectly filled out or accompanied by a cheque, bank draft or money order which is not paid in full on first presentation;
- (d) an application is received after the Closing Date;
- (e) an application is made by a Custodian and does not include the required Custodian Certificate;
- (f) the BPAY® payment received in respect of your application is for less than the full, requisite amount; or
- (g) the Board is not reasonably satisfied that you are an Eligible Shareholder.

7. Oversubscription or Scale back

The amount that each Eligible Shareholder can apply for under the Plan is capped at \$30,000.

The Plan aims to raise \$2.0 million. The directors have reserved the right to accept oversubscriptions under the Plan to ensure all Eligible Shareholders have a reasonable opportunity to participate in the Plan.

Subject to complying with applicable laws and *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547*, Vintage reserves the right to close the Offer early or to scale back applications in its sole and absolute discretion. The aggregate maximum number of Shares that will be issued under the Plan will not exceed the lesser of:

- (a) 30% of the Shares on issue (being the applicable maximum specified in Exception 5 in ASX Listing Rule 7.2); and
- (b) the number such that the total amount raised by the issue of the Shares under the Offer equals \$2,000,000, subject to the Board's discretion to accept oversubscriptions under the Plan in its sole and absolute discretion.

If applications from Eligible Shareholders for participation in the Plan in aggregate exceed this limit or any lower limit determined by the Board, the Board will scale back applications to the extent and in the manner that the Board sees fit. The Board has reserved the right to accept oversubscriptions under the Plan to ensure all Eligible Shareholders have a reasonable opportunity to participate in the Plan.

If the Board elects to accept oversubscriptions under the Plan to ensure all Eligible Shareholders have a reasonable opportunity to participate, it is the Board's intention that any oversubscription arrangements will be made having regard to the pro-rata shareholdings of Eligible Shareholders as at the Record Date who apply for Shares under the Plan.

Similarly, the Board retains the discretion to scale back applications to the extent and in the manner that the Board considers appropriate. Should any scale back be necessary, it is the Company's intention

that any scale back arrangements will be made having regard to a number of factors such as the size of your shareholding at the Record Date, the extent to which you have sold or purchased Shares since the Record Date, whether you have multiple registered holdings and the total applications received from Eligible Shareholders.

If there is a scale-back, Eligible Shareholders may receive less Shares than the number of Shares for which they applied. If a scale-back produces a fractional number of Shares when applied to a particular parcel, the number of Shares allocated to an Eligible Shareholder will be rounded down to the nearest whole number of Shares.

In the event of a scale back, the difference between the application monies received, and the number of Shares allocated to you under the Offer multiplied by the Issue Price, will be refunded to you, without interest, as soon as reasonably practicable following allocation.

Unless you have already done so, it is recommended that you register your bank account details with Automic to facilitate the return of any refunds into your nominated bank account.

8. Issue of Shares

Vintage intends to issue Shares pursuant to the Offer on the Issue Date (Monday, 20 December 2021).

All Shares issued under the Plan will rank equally in all respects with all other Shares on issue as at the date of issue and will carry the same voting rights, dividend rights and other entitlements as those Shares.

Vintage will apply for Shares issued under the Plan to be quoted on ASX. It is expected that they will be quoted on ASX shortly after the Issue Date.

Vintage will, within the period required by the ASX Listing Rules, send Eligible Shareholders, whose application has been accepted by the Board, a holding statement in respect of any Shares issued to them under the Plan.

9. Shortfall

The Plan is not underwritten.

Vintage reserves its right to place any shortfall under the Plan at a price not less than the Issue Price in accordance with its share issue capacity under the ASX Listing Rules or with the approval of shareholders in accordance with the ASX Listing Rules.

10. Key risks

There are a number of general and specific risks which may affect the future operating and financial performance and financial position of Vintage along with the trading price of the Shares and dividends (if any) paid on them in the future. These risks are summarised in the 'Investment Risks' section of the Investor Presentation that was released on ASX on Monday, 13 December 2021 and which is available on the Vintage's website (<https://www.vintageenergy.com.au/>). Eligible Shareholders are encouraged to read these risks carefully before deciding to apply for Shares under the Plan.

These risks are associated with an investment in Shares but are not an exhaustive list. As a Shareholder, you will continue to be exposed to such risks. There may also be additional risks and uncertainties not currently known which may have an adverse effect on Vintage's business and the value of the Shares. Where possible, Vintage will seek to minimise its exposure to, and mitigate the effects of, these risks. However, certain risks relate to matters that are outside the control of Vintage,

and there can be no assurance that any steps that Vintage takes will successfully protect it from any particular risk.

The risks identified in the Investor Presentation do not take into account the investment objectives, financial situation, tax position or other circumstances of any particular Shareholder. Shareholders should have regard to their own investment objectives and financial circumstances and seek professional advice from their legal, financial or other independent adviser before determining whether or not to participate in the Plan.

11. Acknowledgements

If you apply to participate in the Offer by submitting a BPAY® or ETF payment, you will be deemed to have represented on behalf of each person on whose account you are acting that:

- (a) you acknowledge that you are, and each person on whose account you are acting is, an Eligible Shareholder;
- (b) you agree that your application is made on, and you agree to be bound by, these Terms and Conditions and the terms and conditions set out in the Application Form and Vintage's constitution;
- (c) you declare that all details and statements in your Application Form are true and complete and not misleading;
- (d) your application is irrevocable and unconditional;
- (e) the Company may in its sole and absolute discretion scale back any application and/or participation in the Plan to the extent and in the manner, it sees fit;
- (f) if there is a scale back (at the Company's sole and absolute discretion) you may receive less than the number of Shares for which you have applied;

12. Miscellaneous

12.1 Amendment, suspension and termination of the Plan

The Board may, in its discretion, amend, suspend or terminate the Plan at any time and adopt any administrative procedures it thinks appropriate in relation to the Plan. Vintage will notify ASX of any amendment, suspension or termination of the Plan, but failure to do so will not invalidate the amendment, suspension or termination.

Without limiting any other provision of these Terms and Conditions, the Board may vary the timetable for the Offer, including the Closing Date.

Vintage may issue to any person fewer Shares than subscribed for under the Plan (or none at all), including, if Vintage believes that the issue of those Shares would contravene any law (in any jurisdiction) or the rules of any financial market on which Shares are quoted.

12.2 Administration and Dispute Resolution

Vintage's principal objective in administering the Plan is to facilitate participation consistent with compliance with *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547* and all applicable laws and efficient administrative practices. The Board may adopt any administrative procedures it thinks appropriate (from time to time) in relation to the Plan.

Vintage may settle, in any manner it thinks fit, any difficulties, anomalies or disputes which may arise under or in connection with the operation of the Plan, whether generally or in relation to any participant or class of participants, offer, application or Shares, and the decision of Vintage shall be conclusive and binding on all participants and other persons to whom the determination relates.

Vintage reserves the right to waive compliance with any provision of these Terms and Conditions.
