

ASX ANNOUNCEMENT 9TH OCTOBER 2024

Placement and Convertible Loan Financing to Further Advance the High-Grade Reward Gold Mine

HIGHLIGHTS:

- Firm commitments have been received for a strategic placement to an existing investor to raise \$1.10M (before costs) at an issue price of \$0.16 per share (**Placement**).
- Placement proceeds will be further augmented by loan funding of \$0.98M, under a convertible facility agreed with institutional / sophisticated investors (**Loan**). Subject to shareholder approval Loan funds will be converted to fully paid ordinary shares at an issue price of \$0.16 per share.
- Proceeds are intended to be applied towards the acquisition of an Ore Sorter and the associated conveyance equipment, purchase of an Underground Drill Rig and working capital.

Vertex Minerals Limited (ASX:VTX, **Company**) is pleased to announce that firm commitments have been received for a placement and convertible loan financing to raise up to \$2.1M at \$0.16 per share¹ before costs (**Capital Raising**).

Vertex's Executive Chairman, Roger Jackson commented: *"We are very pleased to have the support of a strategic investor in this placement along with some of our very supportive existing shareholders backing the convertible loan. The funds will be used to acquire a laser Ore Sorter which will be integrated into the Gekko gravity gold plant along with an underground drill rig. The drill will be focussed on the high-grade targets below and along strike of the high-grade gold resource at Reward. We wish to build our gold inventory from within our Reward mine. We are on track with the plant refurbishment and preparations to move the Reward mine into production in January 2025"*

Placement Details

The Placement will comprise the issue of up to 6,900,000 new fully paid ordinary shares at an issue price of \$0.16 per share. Subject to shareholder approval, the placement participant will also receive three (3) free attaching options for every five (5) shares. The options will be on the same terms as existing VTXOA options, which have an exercise price of 25c per share and an expiry date of 17/07/2026 (**VTXOA Options**).

The Placement will be conducted in a single tranche using the Company's capacity under Listing Rule 7.1.

¹ Assuming conversion of the Loan, which remains subject to shareholder approval.

Loan Details

Loan funds are expected to be \$976,000 and the Company intends to seek approval for conversion of the Loan at the Company's 2024 AGM, to be held on 29 November 2024. Upon approval by shareholders, loan funds will be automatically converted into fully paid ordinary shares at a conversion price of \$0.16 per share, with two (2) free attaching VTXOA Options for every five (5) shares issued on conversion. If not converted, Loan funds will accrue interest at 10% per annum and fall due for repayment on maturity 12 months after receipt.
