On 6 December 2021, White Rock announced an equity raising of approximately \$11 million, comprising a placement to certain institutional and sophisticated investors to raise approximately \$2.25 million (**Placement**) and the Entitlement Offer (together, the **Equity Raising**). The Placement is due to be completed on 10 December 2021. This Offer Booklet relates to the Entitlement Offer.

Funds raised from the Equity Raising (after costs) will be used for:

- in-mine and regional exploration activities at its high-grade Woods Point Gold Project in Victoria;
- recapitalisation of the Morning Star gold mine and gold processing facility and for care and maintenance of the mine; and
- working capital.

Overview of Entitlement Offer

The Entitlement Offer is being made to all eligible shareholders as defined in section 1.2 (**Eligible Shareholders**) who are registered as a holder of White Rock Shares as at 7.00 pm (Melbourne time) on 13 December 2021.

Each Director who holds shares in White Rock, or controls an entity that holds shares in White Rock, intends to participate in the Entitlement Offer for all of their respective entitlements.

Under the Entitlement Offer, Eligible Shareholders have the opportunity to subscribe for 1 New Share for every 4 Shares of which they are the registered holder at 7.00 pm (Melbourne time) on the Record Date at an issue price of \$0.24 (24 cents) per New Share (**Issue Price**). The Entitlement Offer is non-renounceable. Eligible Shareholders are also invited to apply for additional New Shares in excess of their entitlement under the Top-Up Facility if there is a shortfall between applications received from Eligible Shareholders and the number of New Shares proposed to be issued under the Entitlement Offer.

Viriathus Capital Pty Ltd and Henslow Pty Ltd are acting as joint lead managers to the Entitlement Offer (**Lead Managers**). The Entitlement Offer is not underwritten. The directors have reserved the right to place any shortfall within 3 months of close of the Entitlement Offer.

The Issue Price represents a discount of:

- 23% to the price of White Rock shares as at the close of trading on Wednesday, 1 December 2021, being the last day of trading of White Rock shares before the Entitlement Offer was announced;
- 25% to the 7 day volume weighted average price (VWAP) of White Rock shares at \$0.32 (32 cents) prior to the announcement of the Entitlement Offer; and
- 20% to the 15 day volume weighted average price (VWAP) of White Rock shares at \$0.30 (30 cents) prior to the announcement of the Entitlement Offer.

1. Overview of the Entitlement Offer

1.1 Summary

The Entitlement Offer is a pro rata non-renounceable rights offer to Eligible Shareholders of 1 New Share for every 4 Shares held at an issue price of \$0.24 (24 cents) per New Share (**Issue Price**) to raise up to approximately \$9 million before costs and expenses.

Eligible Shareholders are entitled to subscribe for 1 New Share for every 4 Shares held by them at 7.00 pm (Melbourne time) on the Record Date (13 December 2021).

The Entitlement Offer is non-renounceable, which means that to the extent that any entitlement under the Entitlement Offer is not taken up by any Eligible Shareholder prior to the Closing Date, the entitlement will lapse.

No brokerage fees are payable by Eligible Shareholders who exercise their entitlement.

The choices available to Eligible Shareholders in respect of the Entitlement Offer are described in Section 2.

The Entitlement Offer is currently scheduled to close at 5.00 pm (Melbourne time) on 14 January 2022.

1.2 Eligible Shareholders

Unless the Company otherwise determines, the Entitlement Offer is being made under this Offer Booklet and the Associated Offer Announcements and the Entitlement and Acceptance Form only to those Shareholders (**Eligible Shareholders**) who:

- (a) are registered as a holder of White Rock's Shares as at the Record Date;
- (b) have a registered address in Australia or New Zealand or is a Shareholder that White Rock otherwise determines is eligible to participate;
- (c) are not in the United States and are not acting for the account or benefit of a person in the United States (to the extent such person holds Shares for the account or benefit of such persons in the United States); and
- (d) are eligible under all applicable securities laws to receive an offer under the Entitlement Offer without a prospectus or other disclosure document or any lodgement, filing, registration or qualification.

Shareholders who are not Eligible Shareholders are Ineligible Shareholders.

Concurrently with the Entitlement Offer being made under this Offer Booklet, the Associated Offer Announcements and the Entitlement and Acceptance Form, White Rock is making an offer of New Shares to certain eligible shareholders that are in the United States pursuant to an exemption from the registration requirements of the Securities Act under Section 4(a)(2) thereof. For the avoidance of doubt, any shareholder and any other person that are in the United States or are acting for the benefit of a person in the United States is not permitted to subscribe for and purchase New Shares under the Entitlement Offer being made under this Offer Booklet, the Associated Offer Announcements and the Entitlement and Acceptance Form.

White Rock is of the view that it is unreasonable to make an offer under the Entitlement Offer to shareholders outside of the above jurisdictions having regard to:

- (a) the number of Shareholders outside of those jurisdictions as a proportion of total Shareholders in White Rock;

- (b) the number and value of the New Shares that would have been offered to those Shareholders outside of those jurisdictions; and
- (c) the cost of complying with the legal requirements and requirements of regulatory authorities in the overseas jurisdictions.

1.3 What is the entitlement of an Eligible Shareholder?

The number of New Shares to which you are entitled under the Entitlement Offer is shown in the personalised Entitlement and Acceptance Form which accompanies this Offer Booklet. In calculating each Eligible Shareholder's entitlement, fractional entitlements to New Shares have been rounded up to the nearest whole number of New Shares. Eligible Shareholders can subscribe for all, or part, of their pro rata entitlement under the Entitlement Offer. Detailed instructions on how to accept all, or part of, your pro rata entitlement are set out in Section 2.

Please note that if you choose not to take up your pro rata entitlement, your percentage shareholding in White Rock will be diluted to the extent that the Entitlement Offer is taken up by other persons.

1.4 Top-Up Facility

Eligible Shareholders may, in addition to taking up their entitlements in full, apply for additional New Shares (**Additional Shares**) in excess of their entitlement (**Top-Up Facility**). Additional Shares will only be available where there is a shortfall between applications received from Eligible Shareholders and the number of New Shares proposed to be issued under the Entitlement Offer (**Shortfall**). Additional Shares will be issued at the Issue Price of \$0.24 (24 cents) per New Share.

The issue of Additional Shares under the Top-Up Facility is at the discretion of the Directors. Should such applications exceed the number of New Shares available, the Directors reserve full discretion as to the allocation of Additional Shares under the Top-Up Facility.

In particular, the Directors reserve the right to issue to an Eligible Shareholder a lesser number of Additional Shares under the Top-Up Facility than the number for which the Applicant applies, or to reject an Application, or to not proceed with placing Additional Shares under the Top-Up Facility.

Where an application for Additional Shares under the Top-Up Facility is unsuccessful, in whole or in part, relevant application monies will be refunded by the Company (without interest) in accordance with the provisions of the Corporations Act.

The Directors will not exercise their discretion to allocate Additional Shares under the Top-Up Facility in a way that results in a Shareholder's voting power exceeding 19.9% of the Company's Shares.

No Additional Shares will be issued to related parties of the Company.

If you wish to subscribe for Additional Shares in addition to your entitlement then you should nominate the maximum number of Additional Shares you wish to subscribe for on the Entitlement and Acceptance Form and make corresponding payment for your full entitlement plus the Additional Shares (at \$0.24 (24 cents) per Additional Share).

1.5 No trading of entitlements

Entitlements under the Entitlement Offer are non-renounceable and will not be tradeable on the ASX or otherwise transferable. Shareholders who do not take up their entitlement in full will not receive any value in respect of that part of the entitlement that they do not take up.

1.6 No underwriting

The Entitlement Offer is not underwritten.

1.7 Shortfall

If there remains any shortfall of New Shares taken up by Eligible Shareholders under the Entitlement Offer (including the Top-Up Facility) (**Shortfall Offer Shares**), the Directors reserve the right to issue all or any of the Shortfall Offer Shares at their discretion (**Shortfall Offer**).

The allocation policy of the Directors in respect of the Shortfall Offer will be to place the Shortfall Offer Shares to sophisticated and professional investors at their absolute discretion in consultation with the Lead Managers. The Directors will not allocate Shortfall Offer Shares under the Shortfall Offer to any investor where the issue of Shortfall Offer Shares to that investor would, so far as the Directors are aware, result in them having voting power of more than 19.9% in the Company's Shares.

Any Shortfall Offer Shares issued under the Shortfall Offer must be issued no later than 3 months after the Closing Date of the Entitlement Offer and the issue price of Shortfall Offer Shares will be the same as the Issue Price under the Entitlement Offer.

Sophisticated or professional investors wishing to participate in the Shortfall Offer should contact the Lead Managers on 1300 509 924 (Viriathus Capital Pty Ltd) or on +61 3 8622 3333 (Henslow Pty Ltd).

1.8 Issue of New Shares

White Rock currently expects that New Shares will be issued on 21 January 2022. The issue of New Shares will only be made after permission for their quotation on ASX has been obtained. The fact that New Shares have been admitted to quotation on ASX is not to be taken in any way as an indication of the merits of White Rock or the New Shares.

1.9 Ranking of New Shares

When issued, the New Shares will be fully paid and will rank equally with existing Shares.

1.10 Withdrawal of the Entitlement Offer

White Rock reserves the right to withdraw all or part of the Entitlement Offer, and this Offer Booklet, at any time, subject to applicable laws. In that case, White Rock will refund application monies in relation to New Shares not already issued in accordance with the Corporations Act and without payment of interest.

To the fullest extent permitted by law, you agree that any application monies paid by you to White Rock will not entitle you to receive any interest and that any interest earned in respect of application monies will belong to White Rock.

1.11 Speculative nature of Entitlement Offer and projects and relevant risk factors

In deciding whether to take up some or all of your entitlements under the Entitlement Offer, you should:

- (a) have regard to the high risk, speculative nature of White Rock's projects and activities and to the risks discussed in Section 3 of this Offer Booklet and the section headed "Summary of Key Risks" of the Investor Presentation lodged with ASX on 6 December 2021; and
- (b) read this Offer Booklet carefully and in its entirety and have regard to your own investment parameters, and if required, obtain independent professional investment advice, before deciding to invest in White Rock.

1.12 Purpose and use of funds

White Rock intends to use the funds from the equity raising for:

- (a) in-mine and regional exploration activities at its high-grade gold Woods Point Gold Project in Victoria;
- (b) recapitalisation of the Morning Star gold mine and gold processing facility and for care and maintenance of the mine; and
- (c) working capital.

Further details are set out in the Investor Presentation lodged with ASX on 6 December 2021, which is available from the ASX website (www.asx.com.au) and on White Rock's website (www.whiterockminerals.com.au).

1.13 Financial Impact

The proceeds from the Equity Raising, before allowing for costs and expenses, will amount to up to approximately \$11 million (assuming the Entitlement Offer is fully subscribed).

1.14 Effect on Capital Structure

The principal effect of the Equity Raising on White Rock's issued share capital will be to increase the total number of issued Shares. The following table sets out the number of issued Shares on the Announcement Date and, subject to the rounding of fractional entitlements under the Entitlement Offer, the total number of issued Shares at the completion of the Entitlement Offer:

Shares	Number
Shares on issue at the Announcement Date	142,465,772
Shares offered under the Placement	9,375,000
Shares offered under the Entitlement Offer	Up to 37,960,193*
Total Shares on issue on completion of the Entitlement Offer	Up to 189,800,965*

* This assumes the Entitlement Offer is fully subscribed. The number of New Shares to be issued under the Entitlement Offer is also subject to the rounding of fractional entitlements to New Shares.

2. Choices available to Eligible Shareholders

2.1 Your choices

Before taking any action, you should read this Offer Booklet in its entirety and, if you have any questions, consult your financial or other professional adviser. If you are an Eligible Shareholder, the following choices are available to you:

Option	See Section
Take up all of your entitlement under the Entitlement Offer	2.2(a)
Take up part of your entitlement under the Entitlement Offer	2.2(b)
Take up all of your entitlement under the Entitlement Offer and apply for Additional Shares under the Top-Up Facility	2.2(c)
Take no action	2.7

2.2 How to participate in the Entitlement Offer

(a) Taking up all of your entitlement

If you wish to accept your full entitlement:

- (i) refer to the entitlement and Acceptance Form which specifies the payment amount for your full entitlement; and
- (ii) make payment by BPAY® or EFT for your full entitlement by following the instructions on the Entitlement and Acceptance Form.

(b) Taking up part of your entitlement

If you only wish to accept part of your entitlement:

- (i) calculate the payment amount for the portion of your entitlement that you wish to take up in accordance with the partial entitlement section of the Entitlement and Acceptance Form; and
- (ii) make payment by BPAY® or EFT for that portion of your entitlement by following the instructions on the Entitlement and Acceptance Form.

(c) Applying for Additional Shares under the Top-Up Facility

If you accept your full entitlement and wish to apply for Additional Shares in excess of your entitlement:

- (i) refer to the Top-Up Facility section in your Entitlement and Acceptance Form; and
- (ii) make payment by BPAY® or EFT of the total payment amount for your full entitlement AND your participation in the Top-Up Facility by following the instructions on the Entitlement and Acceptance Form.

Your application for additional New Shares may not be successful (wholly or partially). The decision in relation to the number of additional New Shares in excess of your entitlement to be allocated to you will be final. No interest will be paid on any application monies received and returned.

(d) Payment

The Issue Price of \$0.24 (24 cents) per New Share is payable in full on application.

Payments must be received by 5.00 pm (Melbourne time) on the Closing Date and must be in Australian currency and made by BPAY® or EFT.

Please note that when you pay by BPAY® or EFT:

- (i) you do not need to return the Entitlement and Acceptance Form but are taken to have made the declarations on that Entitlement and Acceptance Form;

- (ii) if you do not pay for your entitlement in full, you are deemed to have taken up your Entitlement in respect of such whole number of New Shares which is covered in full by your application monies;
- (iii) if you pay for more than your full entitlement, you are deemed to have applied for such whole number of Additional Shares which is covered in full by your application monies paid in excess of your full entitlement; and
- (iv) if you have multiple holdings you will have multiple unique reference numbers. To ensure that you receive your Entitlement in respect of each holding, you must use the unique reference number shown on each personalised Entitlement and Acceptance Form when paying for any New Shares that you wish to apply for in respect of that holding. Payments in excess of the amount payable for one holding will not be treated as payment for another holding, and the excess will be refunded to the Applicant without interest.

It is your responsibility to ensure that funds submitted through BPAY® are received by no later than 5.00 pm (Melbourne time) on the Closing Date. Different financial institutions may implement earlier cut-off times with regards to electronic payment, so please take this into consideration when making payment by BPAY®.

Application monies will be held in trust in a subscription account until New Shares are issued. Any interest earned on application monies will be for the benefit of White Rock and will be retained by White Rock irrespective of whether any issue of New Shares takes place.

(e) No return of Entitlement and Acceptance Forms

In light of the substantial delays in postage times as a result of the COVID-19 pandemic, and the period the Entitlement Offer is open, it is considered unlikely that Entitlement and Acceptance Forms that are posted with a payment by cheque will be received by the Company in time for the Company to accept under the application. In light of this, the Company has resolved that **payments must be made by BPAY® or by EFT** and may not be made by cheque or money order. Your BPAY® or EFT Reference number is unique to your holding.

As such, Applicants **do NOT need to return** their completed Entitlement and Acceptance Forms to the Company.

2.3 Representations you will be taken to make by acceptance

By making a payment by BPAY® or EFT, you will be deemed to have:

- (a) acknowledged that you have fully read and understood this Offer Booklet and the Entitlement and Acceptance Form in their entirety and you acknowledge the matters and make the warranties and representations and agreements contained in this Offer Booklet and the Entitlement and Acceptance Form;
- (b) agreed to be bound by the terms of the Entitlement Offer, the provisions of this Offer Booklet and White Rock's constitution;

- (h) declared that you were the registered holder at the Record Date of the Shares indicated in the Entitlement and Acceptance Form as being held by you on the Record Date;
- (i) acknowledged that the information contained in this Offer Booklet and your Entitlement and Acceptance Form is not investment advice nor a recommendation that the New Shares are suitable for you given your investment objectives, financial situation or particular needs;

2.4 No minimum subscription

There is no minimum subscription for an Eligible Shareholder under the Entitlement Offer.

2.5 No cooling off rights

Cooling off rights do not apply to an investment in New Shares. You cannot withdraw your application once it has been made.

2.6 Refunds of excess application monies

Any application monies received for more than the number of New Shares issued to you will be refunded as soon as reasonably practicable following the close of the Entitlement Offer. No interest will be paid on any application monies. Payment of any refund will be made by cheque and mailed to your address as last recorded in White Rock’s register of members.

2.7 If you do nothing

If you do not apply for Shares pursuant to the Entitlement Offer, your entitlement under the Entitlement Offer will lapse.

If you do not apply for Shares pursuant to the Entitlement Offer, your percentage ownership in White Rock will be diluted because the issue of New Shares to other Eligible Shareholders under the Entitlement Offer will increase the total number of Shares on issue.

3. Risk Factors

White Rock's activities are subject to a number of risks which may impact future financial performance and the market price at which New Shares trade. Some of these risks can be mitigated by the use of safeguards and appropriate controls. However, others are outside White Rock's control and cannot be mitigated. Therefore, investors who acquire New Shares may be exposed to a number of risks. Broadly, these risks can be classified as risks that are general to investing in the share market and risks specific to an investment in Shares and White Rock's underlying business.

A detailed list of the key risks associated with investing in New Shares is contained in the Investor Presentation in connection with the Equity Raising lodged with ASX on 6 December 2021. A copy of the Investor Presentation is available from the ASX website (www.asx.com.au) and on White Rock's website (www.whiterockminerals.com.au).

This list is not exhaustive and investors should read this Offer Booklet and the Investor Presentation in their entirety before making an investment decision. Investors should also have regard to their own investment objectives and financial circumstances and should consider seeking appropriate independent investment advice before deciding whether to invest in the New Shares.

4. Further Information

4.1 Taxation

Taxation implications of participating in the Entitlement Offer will vary depending on the particular circumstances of individual Eligible Shareholders. Eligible Shareholders are advised to obtain their own professional taxation advice before making a decision in relation to the Entitlement Offer.

4.2 This Offer Booklet is not a prospectus

The Entitlement Offer is being conducted in accordance with Section 708AA of the Corporations Act (as modified by ASIC Instrument 2016/84). In general terms, Section 708AA relates to rights issues by certain companies that do not require the preparation of a prospectus or other disclosure document. Accordingly, the level of disclosure in this Offer Booklet is less than the level of disclosure required in a prospectus.

As a result, in deciding whether or not to accept the Entitlement Offer, you should rely on your own knowledge of White Rock, refer to disclosures made by White Rock to the ASX (which are available for inspection on the ASX website www.asx.com.au and on White Rock's website at www.whiterockminerals.com.au) and seek the advice of your financial or professional adviser.

4.3 Holding Statements and trading of New Shares

Security holders will be provided with a holding statement, which will set out the number of New Shares allotted to them under this Entitlement Offer. It is your responsibility to determine your holding of New Shares before trading to avoid the risk of selling New Shares you do not own. To the maximum extent permitted by law, White Rock disclaims any liability to persons who trade New Shares before they receive their holding statements, whether on the basis of confirmation of the allocation provided by White Rock or the Registry or otherwise, or who otherwise trade or purport to trade New Shares in error or which they do not hold or are not entitled to.

4.4 Treatment of excluded shareholders

This Offer Booklet and the accompanying Entitlement and Acceptance Form are being sent only to shareholders with registered addresses in Australia and New Zealand, or to shareholders in other jurisdictions where White Rock is satisfied that it is lawful to do so. White Rock is of the view that it is

unreasonable to extend the offer to other shareholders having regard to their small number and the value of shares which would be offered to them and the cost of complying with the legal requirements and requirements of the regulatory authorities in those overseas jurisdictions.

The information in this Offer Booklet has been prepared to comply with the requirements of the securities laws of Australia. To the extent that you hold shares in White Rock on behalf of another person resident outside Australia, it is your responsibility to ensure that any participation (including for your own account or when you hold shares in White Rock beneficially for another person) complies with all applicable foreign laws and that each beneficial owner on whose behalf you are submitting the personalised Entitlement and Acceptance Form is not in the United States and not acting for the account or benefit of a person in the United States.

This Offer Booklet does not constitute an offer in any jurisdiction in which, or to any person to whom, it would not be lawful to make such an offer. No action has been taken to register or qualify the Entitlement Offer or the New Shares, or otherwise permit the public offering of the New Shares, in any jurisdiction other than Australia and New Zealand.

The distribution of this Offer Booklet and the accompanying Entitlement and Acceptance Form (including an electronic copy) outside Australia may be restricted by law. If you come into possession of this Offer Booklet, you should observe such restrictions and should seek your own advice on such restrictions. Any non-compliance with these restrictions may contravene applicable securities laws.

4.5 Foreign shareholders

(a) General restrictions

This Offer Booklet and the accompanying Entitlement and Acceptance Form do not constitute an offer in any place in which, or to any person to whom, it would not be lawful to make such an offer. The distribution of this Offer Booklet in jurisdictions outside Australia, and New Zealand may be restricted by law and persons who come into possession of this Offer Booklet outside the above jurisdictions should observe any such restrictions. Any failure to comply with such restrictions may constitute a violation of applicable securities laws. No action has been taken to register or qualify the New Shares or to otherwise permit an offering of New Shares outside Australia.

Return of the Entitlement and Acceptance Form or your BPAY® payment will be taken by White Rock as a representation by you that there has been no breach of any such laws.

(b) New Zealand

The New Shares are not being offered to the public within New Zealand other than to existing shareholders of the Company with registered addresses in New Zealand to whom the offer of these securities is being made in reliance on the Financial Markets Conduct Act 2013 and the Financial Markets Conduct (Incidental Offers) Exemption Notice 2021.

This document has been prepared in compliance with Australian law and has not been registered, filed with or approved by any New Zealand regulatory authority. This document is not a product disclosure statement under New Zealand law and is not required to, and may not, contain all the information that a product disclosure statement under New Zealand law is required to contain.

(c) Canada (British Columbia, Ontario and Quebec)

This document constitutes an offering of New Shares only in the Provinces of British Columbia, Ontario and Quebec (the "Provinces") and to those persons to whom they may be lawfully distributed in the Provinces, and only by persons permitted to sell such New Shares. This document is not, and under no circumstances is to be construed as, an advertisement or

a public offering of securities in the Provinces. This document may only be distributed in the Provinces to persons that are "accredited investors" within the meaning of National Instrument 45-106 – Prospectus Exemptions or section 73.3 of the *Securities Act* (Ontario) (collectively "NI 45-106").

No securities commission or similar authority in the Provinces has reviewed or in any way passed upon this document, the merits of the New Shares or the offering of New Shares and any representation to the contrary is an offence.

No prospectus has been, or will be, filed in the Provinces with respect to the offering of New Shares or the resale of such securities. Any person in the Provinces lawfully participating in the offer will not receive the information, legal rights or protections that would be afforded had a prospectus been filed and receipted by the securities regulator in the applicable Province. Furthermore, any resale of the New Shares in the Provinces must be made in accordance with applicable Canadian securities laws which may require resales to be made in accordance with exemptions from dealer registration and prospectus requirements. These resale restrictions may in some circumstances apply to resales of the New Shares outside Canada and, as a result, Canadian purchasers should seek legal advice prior to any resale of the New Shares.

The Company as well as its directors and officers may be located outside Canada and, as a result, it may not be possible for purchasers to effect service of process within Canada upon the Company or its directors or officers. All or a substantial portion of the assets of the Company and such persons may be located outside Canada and, as a result, it may not be possible to satisfy a judgment against the Company or such persons in Canada or to enforce a judgment obtained in Canadian courts against the Company or such persons outside Canada.

Any financial information contained in this document has been prepared in accordance with Australian Accounting Standards and also complies with International Financial Reporting Standards and interpretations issued by the International Accounting Standards Board. Unless stated otherwise, all dollar amounts contained in this document are in Australian dollars.

Statutory rights of action for damages and rescission

Securities legislation in certain of the Provinces may provide purchasers with, in addition to any other rights they may have at law, rights of rescission or to damages, or both, when an offering memorandum that is delivered to purchasers contains a misrepresentation. These rights and remedies must be exercised within prescribed time limits and are subject to the defenses contained in applicable securities legislation. Prospective purchasers should refer to the applicable provisions of the securities legislation of their respective Province for the particulars of these rights or consult with a legal adviser.

The following is a summary of the statutory rights of rescission or to damages, or both, available to purchasers in Ontario. In Ontario, every purchaser of the New Shares purchased pursuant to this document (other than (a) a "Canadian financial institution" or a "Schedule III bank" (each as defined in NI 45-106), (b) the Business Development Bank of Canada or (c) a subsidiary of any person referred to in (a) or (b) above, if the person owns all the voting securities of the subsidiary, except the voting securities required by law to be owned by the directors of that subsidiary) shall have a statutory right of action for damages and/or rescission against the Company if this document or any amendment thereto contains a misrepresentation. If a purchaser elects to exercise the right of action for rescission, the purchaser will have no right of action for damages against the Company. This right of action for rescission or damages is in addition to and without derogation from any other right the purchaser may have at law. In particular, Section 130.1 of the *Securities Act* (Ontario) provides that, if this document contains a misrepresentation, a purchaser who purchases the

New Shares during the period of distribution shall be deemed to have relied on the misrepresentation if it was a misrepresentation at the time of purchase and has a right of action for damages or, alternatively, may elect to exercise a right of rescission against the Company, provided that:

- (a) the Company will not be liable if it proves that the purchaser purchased the New Shares with knowledge of the misrepresentation;
- (b) in an action for damages, the Company is not liable for all or any portion of the damages that the Company proves does not represent the depreciation in value of the New Shares as a result of the misrepresentation relied upon; and
- (c) in no case shall the amount recoverable exceed the price at which the New Shares were offered.

Section 138 of the *Securities Act* (Ontario) provides that no action shall be commenced to enforce these rights more than:

- (a) in the case of any action for rescission, 180 days after the date of the transaction that gave rise to the cause of action; or
- (b) in the case of any action, other than an action for rescission, the earlier of (i) 180 days after the purchaser first had knowledge of the fact giving rise to the cause of action or (ii) three years after the date of the transaction that gave rise to the cause of action.

These rights are in addition to and not in derogation from any other right the purchaser may have.

Certain Canadian income tax considerations

Prospective purchasers of the New Shares should consult their own tax adviser with respect to any taxes payable in connection with the acquisition, holding, or disposition of the New Shares as any discussion of taxation related matters in this document is not a comprehensive description and there are a number of substantive Canadian tax compliance requirements for investors in the Provinces.

Language of documents in Canada

Upon receipt of this document, each investor in Canada hereby confirms that it has expressly requested that all documents evidencing or relating in any way to the sale of the New Shares (including for greater certainty any purchase confirmation or any notice) be drawn up in the English language only. *Par la réception de ce document, chaque investisseur canadien confirme par les présentes qu'il a expressément exigé que tous les documents faisant foi ou se rapportant de quelque manière que ce soit à la vente des valeurs mobilières décrites aux présentes (incluant, pour plus de certitude, toute confirmation d'achat ou tout avis) soient rédigés en anglais seulement.*

- (d) European Union (Belgium, Germany and the Netherlands)

Accordingly, this document may not be made available, nor may the New Shares be offered for sale, in Belgium, Germany or the Netherlands except in circumstances that do not require a prospectus under Article 1(4) of Regulation (EU) 2017/1129 of the European Parliament and the Council of the European Union (the "Prospectus Regulation").

In accordance with Article 1(4)(a) of the Prospectus Regulation, an offer of New Shares in Belgium, Germany and the Netherlands is limited to persons who are "qualified investors" (as defined in Article 2(e) of the Prospectus Regulation).

(e) Hong Kong

WARNING: This document has not been, and will not be, registered as a prospectus under the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32) of Hong Kong, nor has it been authorised by the Securities and Futures Commission in Hong Kong pursuant to the Securities and Futures Ordinance (Cap. 571) of the Laws of Hong Kong (the "SFO"). No action has been taken in Hong Kong to authorise or register this document or to permit the distribution of this document or any documents issued in connection with it. Accordingly, the New Shares have not been and will not be offered or sold in Hong Kong other than to "professional investors" (as defined in the SFO and any rules made under that ordinance).

No advertisement, invitation or document relating to the New Shares has been or will be issued, or has been or will be in the possession of any person for the purpose of issue, in Hong Kong or elsewhere that is directed at, or the contents of which are likely to be accessed or read by, the public of Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to the New Shares that are or are intended to be disposed of only to persons outside Hong Kong or only to professional investors (as defined in the SFO and any rules made under that ordinance). No person allotted New Shares may sell, or offer to sell, such securities in circumstances that amount to an offer to the public in Hong Kong within six months following the date of issue of such securities.

The contents of this document have not been reviewed by any Hong Kong regulatory authority. You are advised to exercise caution in relation to the offer. If you are in doubt about any of the contents of this document, you should obtain independent professional advice.

(f) Switzerland

The offering of the New Shares in Switzerland is exempt from the requirement to prepare and publish a prospectus under the Swiss Financial Services Act ("FinSA") because such offering is made to professional clients within the meaning of the FinSA only and the New Shares will not be admitted to trading on any trading venue (exchange or multilateral trading facility) in Switzerland. This document does not constitute a prospectus or a similar communication pursuant to the FinSA, and no such prospectus has been or will be prepared for or in connection with the offering of the New Shares.

(g) United Kingdom

Neither the information in this document nor any other document relating to the offer has been delivered for approval to the Financial Conduct Authority in the United Kingdom and no prospectus (within the meaning of section 85 of the Financial Services and Markets Act 2000, as amended ("FSMA")) has been published or is intended to be published in respect of the New Shares.

This document is issued on a confidential basis to "qualified investors" (within the meaning of Article 2(e) of the UK Prospectus Regulation) in the United Kingdom, and the New Shares may not be offered or sold in the United Kingdom by means of this document, any accompanying letter or any other document, except in circumstances which do not require the publication of a prospectus pursuant to section 86(1) of the FSMA. This document should not be distributed, published or reproduced, in whole or in part, nor may its contents be disclosed by recipients to any other person in the United Kingdom.

Any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received in connection with the issue or sale of the New Shares has only been communicated or caused to be communicated and will only be communicated or caused to be communicated in the United Kingdom in circumstances in which section 21(1) of the FSMA does not apply to the Company.

In the United Kingdom, this document is being distributed only to, and is directed at, persons (i) who have professional experience in matters relating to investments falling within Article 19(5) (investment professionals) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, as amended ("FPO"), (ii) who fall within the categories of persons referred to in Article 49(2)(a) to (d) (high net worth companies, unincorporated associations, etc.) of the FPO or (iii) to whom it may otherwise be lawfully communicated (together "relevant persons"). The investments to which this document relates are available only to, and any invitation, offer or agreement to purchase will be engaged in only with, relevant persons. Any person who is not a relevant person should not act or rely on this document or any of its contents.

(h) United States

The information contained in this Offer Booklet, the Associated Offer Announcements and the Entitlement and Acceptance Form may not be distributed or released in the United States and do not constitute an offer to sell, or the solicitation of an offer to buy, any securities in the United States or to any persons who are acting for the account or benefit of a person in the United States. The New Shares have not been, and will not be, registered under the U.S. Securities Act of 1933 (the "Securities Act") or the securities laws of any state or other jurisdiction of the United States, and may not be offered or sold, directly or indirectly, in the United States or to any person acting for the account or benefit of any person in the United States unless the securities have been registered under the Securities Act (which the Company has no obligation to do or procure) or are offered or sold pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable securities laws of any state or other jurisdiction of the United States.

4.6 Custodians and nominees

The Entitlement Offer is being made to all Eligible Shareholders. White Rock is not required to determine whether or not any Eligible Shareholder is acting as a nominee, trustee or custodian or the identity or residence of any beneficial owners of Shares. Where any registered holder that qualifies as an Eligible Shareholder is acting as a nominee for a foreign person, that registered holder, in dealing with its beneficiary, will need to assess whether indirect participation by the beneficiary in the Entitlement Offer is compatible with applicable foreign laws. For the avoidance of doubt, custodians and nominees that hold on behalf of a beneficial holder in the United States may not submit an Entitlement and Acceptance Form on behalf of such beneficial holders in the United States.

4.7 Effect on control

The potential effect that the Entitlement Offer will have on the control of the Company will depend on various factors. Particularly, the effect on control will depend on the take up by Eligible Shareholders of their entitlements, the allocation of New Shares via the Top-Up Facility and/or the Shortfall Offer.

If all Eligible Shareholders subscribe for their full entitlement, and there is no Top-Up Facility then each Eligible Shareholder's percentage ownership interest (and voting power) in the Company will remain the same and there will be no effect on the control of the Company.

If an Eligible Shareholder does not take up all of their entitlement, its percentage ownership interest (and voting power) in the Company will be diluted if other Eligible Shareholders participate.

The current substantial Shareholders of the Company as at 1 December 2021, being the last day on which the Company's Securities traded on ASX prior to lodgement of this Prospectus, according to substantial holding notices lodged with the Company, are as follows:

NAME	Number of Shares Currently Held	Voting Power*
Crescat Portfolio Management LLC, as Registered Investment Adviser for Crescat Global Macro Master Fund Ltd, Crescat Precious Metals Master Fund Ltd and Crescat Long/Short Fund LP	11,541,615	8.10%

* percentage interests in the above table have been calculated on the basis of the issued share capital of the Company on 1 December 2021.

Any increase in the voting power of the substantial Shareholders set out in the above table will depend upon whether they choose to participate in the Entitlement Offer and the extent to which the Entitlement Offer is subscribed, whether they participate in the Top-Up Facility and whether they choose to participate in the Shortfall Offer, if any.

4.8 Directors and directors' interests

Each Director reserves the right to participate in full or in part or not participate in the Entitlement Offer. The Directors may not participate in the Top-Up Facility or the Shortfall Offer.
