## NEW PRODUCT LAUNCH – VERIGROW® SOIL WETTER

Veratin Limited (NSX: VTN) (the **Company**) is pleased to announce it has launched a new product – Verigrow® Soil Wetter for hydrophobic soils. The soil wetter comes with a nutrient boost from amino acids and provides superior wetting, reducing water usage. The product is ideal for home gardens and commercial applications.

**Verigrow® Soil Wetter**

To learn more about the Verigrow® range of products, visit the Verigrow website at [www.verigrow.com.au](http://www.verigrow.com.au).

This announcement was authorised for release by the Board of the Company.

### **ABOUT VERATIN LIMITED**

Veratin Limited (“Veratin” or “The Company”) is an NSX-listed research and development manufacturing company that develops sustainable and innovative high-end value products from low grade wool. The Company has developed and is developing new products for the Agricultural and Cosmetics markets as well as developing products for the biodegradable materials, and functional foods and nutraceuticals markets.

### **Forward-looking Statements**

This announcement may contain certain “forward-looking statements which may not have been solely based on historical facts but are based on the Company’s current expectations about future events and results.

Where the Company expresses or implies an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have a reasonable basis. However, forward-looking statements are subject to risks, uncertainties, assumptions, and other factors, which could cause actual results to differ materially to future results expressed, projected, or implied by such forward looking statements.

The Company does not undertake any obligation to release publicly any revisions to any “forward-looking statements” to reflect events or circumstances after the date of this announcement, or to reflect the occurrence of unanticipated events, except as may be required under the applicable securities laws.
